

- class of 2016! Congress applications are out and are Due sept 29. Pick up your application today

-Honor Society is collecting school supplies for a school in Nicaragua! Collection boxes are located outside of the main and attendance offices, and in the commons, annex, and counseling office. Donate new and gently used supplies!

-The Technology Student Association invites all students to join in one of JHS's most successful organizations. TSA is a national association that competes in over 35 individual and team events all related to the world of today. Our motto is: "Learning To Live In A Technical World". TSA has an area of interest for everyone, it has a STEM format that reaches into all areas of the curriculum. We invite you to our first meeting on **September 30th at 2:10 in room C-121**. Even if you are involved in another club, sport or activity, TSA can accommodate you. For more information see the TSA bulletin board outside of room C-121 or contact Mr. Wigre in room C-121.

Do you have a tattoo? Would you like to show it off? Come to room C206 during 6th period or after school this week and we will take a picture of it and get a short statement about what it means to you. These tattoos need to be school appropriate of course. Thanks, The Stiqayu staff

-Seriously, if you want to meet up with some of the best people on earth to chat, snack and make plans to change the world, come to the Gay Straight Alliance meeting on Tuesday at 2:10. The world is waiting for us.
