BLURBS

NEW! IMPORTANT LIP DUB INFORMATION: The upcoming Lip Dub on **Friday, March 31**, is a school-wide event that occurs every other year. While it is taking away time from the spring pep assembly, it is not replacing it, so after the Lip Dub is finished, please send your students to the gym for the assembly.

NEW! MUNCH MADNESS: The school year is coming up and as we all know, with springtime comes the annual **Spring Food Drive**. This year from **Monday, April 10, to Friday, May 5**, JHS will be holding its annual **Munch Madness Food Drive**. As of now, we know that **every 1st period class** is invited to collect money and non-perishable food donations to benefit the Mill Creek Community Food Bank. Each class will be racing against each other in a friendly competition to see who can raise the most money and food donations possible.

We will keep count of every class with the following point system:

\$1.00 = 3 points

1 can or item = 2 points

Ramen = 1 point (amount needed for 1 point undecided at this time)

Respectfully, ([Alan Briggs](#), ASB Advisor)

NEW! STAFF VS. SENIORS BASKETBALL GAME: **Staff vs Seniors Basketball Game** will be **Friday, June 9**.

ROSE SMITH HONORED: Staff~ Please congratulate [Rose Smith](#) when you see her. She was honored last weekend with the President's Award from the Snohomish County NAACP for the significant role she has played in the lives of students of color. Click [here](#) for the news release. [Shaun](#)

SUPPLIES FOR RUBE GOLDBERG: My Engineering class will be making a Rube Goldberg in about a month and we are in need of supplies. Each part of the build will be made in a size of a cube that is 12 inches on each side, so we need things that are not too big. We can cut large things down to a smaller size, though. If you're doing some spring cleaning and have some old junk to get rid of, consider donating to JHS Engineering. I'm in C146. You can drop off with me or let me know you have something I can come get it from you. We'll be starting our build after Spring Break.

List of possible things (but not limited to these things): small cardboard boxes, small wood pieces, empty aluminum cans (cleaned would be preferable), parts to a game you or your kids no longer play, plastic tubing, PVC pipes and connectors, Legos, string, gears, wheels, pulleys, dominos, plastic cups, balls, balloons, straws, mini cars, empty toilet paper and paper towel rolls, other toys, old crafting supplies, old building supplies, old garage stuff.

Thank you. [Katie Akesson](#), Math and Engineering Teacher

AP BUBBLE SESSIONS: Every AP student who is taking an exam needs to attend one AP Bubble Session in the JHS Commons:

Tuesday, April 11

Last names A-F, 7:30 a.m.

Last names G-M, 8:30 a.m.

Wednesday, April 12

Last names N-S, 7:30 a.m.

Last names T-Z, 8:30 a.m.

If the above bubble session does not work for a student's schedule, they should attend a different session. No RSVP is required. The bubble session will take an entire class period. Thank you! [Lori Wirtz](#)

Students will be given a letter the week of March 27 confirming the tests they have registered for and informing them of the upcoming bubble sessions. The school will remind the students during daily announcements on April 10. The school will also send out a Connect-ED message on April 10.

The day of the bubble session, **teachers will take attendance and then release AP students** to go to the commons. There will be no passes. The teachers will have lists of AP students. Studio Art only students do not need to attend a bubble session.

WE HAVE AN APP! "JHS CONNECT" is Jackson High School's very own app! It's FREE at the app store and is for students, staff, parents, and even future students. Check out this [PowerPoint](#) for more information about how to get it.

UPCOMING TESTING: I know many of you plan your lessons far in advance. In an attempt to aid this planning, I am sending you the most current information about [testing this year](#). All the information is subject to change. [Shaun](#)
