KUDOS

Kudos are welcome from everyone! Celebrate your colleagues—heck, give yourself a nod! Please send your kudos to [Amanda Irtz Summers](#).

Kudos to...

...**Brian Marshall** and **Ken Walker**. I wanted to publicly commend the talent and hard work of both students and staff at our school. I was delightfully entertained and enthralled with the talent demonstrated this past Saturday night with *Little Women*. The technical production (lighting, stage sets, wardrobe, makeup, etc.) and performances (actors, musicians) were so flawlessly synchronized that I could have imagined being at a 5th Avenue production. To keep the attention of a 6-year-old (my granddaughter) is worth highlighting. Thanks for a cheap evening of wonderful entertainment. My hat's off to all who were involved in helping put this event together with Brian Marshall leading the charge and a great assist of the music from Ken Walker.

...**Alan Briggs, ASB, Lesley Moffat, guest speakers, and Janet Hitt**. I was impressed with such a poignant Veterans Day Assembly. The audience was in rapt attention and feeling the emotions of honoring all our Veterans, especially our staff who have served so gallantly in the military and are now serving students in our school.

...**Our teachers and student body**. I was very impressed by the maturity and respectfulness of the student

body; they were so quiet you could hear a pin drop!

...**Lesley, Janet, Kaye, and Alan** for their work and the efforts of their students to make the assembly so well done, genuine, and introspective.

...**Our staff members who served in the military and our U.S. Veterans** so deserve the recognition that was presented in Monday's event. Thanks to all who participated, and special thanks to our Veteran staff members.

...**PTSA**. What an amazing, delicious, and warm lunch on Wednesday! Thank you, thank you for the meal!

NEW! RANDOM ACTS OF KINDNESS: Hello, JHS staff! I am Alexis from Leadership class and I'd like to inform you of our upcoming **RAK Week (Random Acts of Kindness Week)** that's going to be going on **November 17-21**. Our purpose for RAK is to help our school be a more happy, more fun, and more positive environment to be in! Especially with the **Marysville-Pilchuck** tragedy that took place last month, our eyes have truly been opened to the fact that we need to make it our personal mission as leaders at JHS to make Jackson a place where everyone feels like they belong and they are welcomed. We simply ask that all **JHS staff participate in the numerous [RAK Week activities](#) we will have going on throughout the week, also by spreading kindness and love and expressing your appreciation to your students and other staff members!** It is highly encouraged that you also bring the deeper meaning of this **Kindness Week** into your classrooms and express your own feelings to your students! Henry M. Jackson students inspire local school districts to support Marysville Pilchuck High School

Posters and virtual hearts heading to Marysville

Students and staff sign poster to show support

After the shooting at Marysville Pilchuck High School (MPHS), Jackson High School students coordinated with local high schools to generate unified support. The associated student body (ASB) officers contacted several high schools to suggest making posters for students and staff to sign and show their support.

from Marysville Pilchuck High School contacted WESCO high schools asking for posters similar to the ones many were already making. By the end of the day, more than twenty high schools in WESCO were making posters that all say they love MPHS (e.g. "JHS loves MPHS"). The goal is to have 15,000 signatures and notes from students delivered to Marysville Pilchuck High School for students to see when they return to school on Monday, Nov. 3. The number of schools involved is still growing.

In addition, a group of students at Jackson High School started a social media campaign personalizing support for the students at Marysville Pilchuck. The idea is simple: cut out a paper heart, write "MP" on it, take a picture of yourself or friends holding the heart, and then share it on Twitter and Instagram with the hashtag #MPinOurHearts.

On Oct. 27, the ASB advisor

#MPinOurHearts

This campaign started on Monday, Oct. 27. By the next day, there were over 500 posts using the hashtag. Several schools are planning to use this same idea to show support, in addition to simply using the hashtag in posts.
