PRESENTATIONS: Hello All~ As the new school year gets under way, I would like to again express my desire to present in classes. For those of you who are new, or did not get to see one of my amazingly, wonderful, educational and inspiring presentations last year, I have a wide variety of PowerPoints already made (sexting/bullying, minor in possession, DUI, drugs, how the constitution applies to my job, etc.). Also, I am always looking for new or different topics to present on, or just the chance to talk with your students. Some of the best classes last year were spent more on Q&A than the topic itself. With that being said, if you are interested in me presenting again, or looking for me to present in your class for the first time, please shoot me an email with the topic you would like, and I will work with you on scheduling a time. If you have a topic in mind, let me know and I will get to work right away. Respectfully, <u>Officer Marc</u>
