

Are you a girl who is curious about the world of science, technology, engineering, and math (STEM/STEAM)? Come to Go, Girl Go!, an all-female Q&A panel sponsored by FIRST, Washington FIRST Robotics, IEEE, and ICRA. This is your chance to speak and network with local and international female STEM and STEAM professionals and learn more about the world of science and technology!

Title: Go, Girl, Go!

Date: Saturday, May 30th

Location: Washington State Convention Center

Time: 9:00am-3:00pm

Cost: Free for all girls between the ages of 6-18

Registration: <https://gogirlgo2015.eventbrite.com>

You can stay all day or just portion. Lots of fun activities for girls to spark their curiosity and imagination in the world of science, technology, engineering, the arts and math.
