North Middle School Campus Gets A Beauty Boost

On Saturday, May 3, 50 North Honor Society students and 12 dedicated adults spent 3 hours beautifying North's campus. They formed teams and picked up trash, pulled weeds, readied our North garden beds for planting, spread bark, and planted flowers. Big THANK YOUs go out to the North PTA for purchasing pizza for the kids and recruiting adults to help out, the Maintenance Department for providing staff to help with cleanup tasks and providing mulch, Ms. O'Brien for donating sodas for volunteers and flowers for the containers at the front of the school, and some hardworking students and adults. Have you noticed how great our campus looks right now?

—Rebecca Vigil and Kenleigh Kelly,
 North Honor Society Advisors

North Middle School is receiving support from the state funded Learning Assistance Program. The LAP Program is designed to provide supplemental support to eligible students who are identified in need of additional assistance to meet state and local reading and math academic standards. Funds provide additional reading teaching staff, extended day opportunities, and opportunities for parents to participate in a meaningful way in the education of their children. If you have questions about the LAP program, please contact Mary O'Brien at North Middle School or Cynthia Jones, Director of Categorical Programs, at 425-385-4030

PTA CORNER

It's been a busy and successful year for the North PTA. We've accomplished so much - from establishing our membership to over 100 people, to sponsoring field trips, work parties, tailgate events, teacher grants, and our annual auction...just to name a few! And we've been able to do all of these things thanks to the support and efforts of our staff, parents, and kids. Thank you!

We are not done yet! June will continue to be a busy month! The Walk-a-thon is being held Tuesday, June 3; the 8th grade bridging party will be on Wednesday, June 11th; and field day will be on Friday, June 13th. We still need volunteers for each of these events! Please contact us if you can help: christina.church@hotmail.com (walk-a-thon, 8th grade bridging); tandpdeckers@hotmail.com (8th grade bridging); heatherbarnhart@comcast.net (field day); northmiddle-schoolpta@gmail.com (for any event).

We would like to offer our most sincere thank you and congratulations to this year's Golden Acorn and Outstanding Educator winners: Christina Church for GA, and Luann Baker and Cynthia Gaub for OE. Award winners were honored at a banquet on May 28, and money has been added to a state scholarship in their names. Congratulations to each of you, and we are honored to have you among us!!

We still have openings that we need to fill for next year's PTA. If you find yourself willing to help out with Membership, be our Treasurer, organize Programs, coordinate E-scrip, sell refreshments at the dances, or any number of other areas, PLEASE contact us and let us know what you are willing to do. Volunteering with the PTA is a great way of staying involved with the education of your kids, establishing connections with staff at North, and enjoying the camaraderie of fellow middle school parents - all while having fun and making a genuine difference in the lives of our kids!

As the school year winds down, we want to wish you a relaxed and refreshing summer, and to thank you, once again, for helping this to be an amazing and successful school year!

-Melissa Murphy and Lillie Yates,
 Co-Presidents

Stuff the Bus is coming!

A partnership coordinated by the Everett Public Schools Foundation with community organizations and businesses has become an annual effort to gather backpacks and school supplies to help our students in need start the year prepared. Last year, over 1,500 students received backpacks filled with school supplies, and we have the same goal this year. Look for collection bins in businesses during the month of August and Durham buses parked outside local businesses **Aug. 15-17**. Each item collected helps prepare a student with the tools needed to learn.
