

Culture Card

Please answer the following questions so we can learn more about your family's culture.

Name: _____ (student)

What City, State in your country of origin are you from?

What language do people speak there?

What are some differences between Cedar Wood (Washington State) and the area of your family's country of origin?

What is the most dangerous animal in your country of origin?

What kind of games do children play in your country of origin? Do they have video games? If so, what is a popular game?

What is your favorite food from your country of origin?

Would you be interested in being a liaison for other Cedar Wood families who speak the same language?
