Dear Emerson Families,

Please make sure you continue to encourage your children to be on time and attend every last important day of this school year. The last few weeks of a school year provide lasting memories for your children and an important culmination of the year's many accomplishments.

If you haven't done so already, please make sure to submit your Parent Placement Input Form as your feedback regarding your child's learning style is very important to us.

Please remember that these are due in the office by May 29, 2015.

We look forward to seeing all of you at our PTA Bingo Night on May 28th from 5:30-7:30 PM.

Sincerely,
Donna Kapustka

School canceled on Friday, May 22; make-up day scheduled for June 17

Membership of the Everett Education Association (EEA), the union representing teachers in Everett Public Schools, has voted to participate in a one-day walkout on May 22, 2015.

The union emphasized this is not a strike against the district, students, families or our community, but rather a way for staff to show solidarity with colleagues across the state and send a clear message to legislators about the importance of ample, equitable educational funding.

As a result of the one-day walkout, Everett Public Schools is **canceling school on Friday, May 22, 2015**.

The following activities will proceed as scheduled on May 22:

high school and middle school athletic practices and competitions, and facility rentals.

The YMCA will be open for its regular before and after school programs, but the Boys and Girls Club before and after school programs will be moved to the Everett Boys and Girls Cascade Club. Please check individual school websites for evening activities.

The school year is extended one day to make up for the May 22 closure. **The last day of school is now June 17**. That makes June 16 a regular full day. Students will be released 2.5 hours early on June 17. We will keep you posted on new developments if they arise. We are truly sorry for the inconvenience that canceling school on May 22 causes you and your family.

Now is the time to plan ahead for the **vaccinations** that your child will need before he/she enrolls in the 6th grade next fall. One dose of varicella (chickenpox) vaccine and one dose of Tdap (Tetanus, diphtheria and pertussis) vaccine are required before the first day of the 6th grade. We encourage you to obtain these vaccinations this school year and report them to the school nurse or office staff at your child's school. The information will be entered into the school database, which means you will then avoid getting a reminder letter next September.
