

The Jackson 6

The JHS Inquiry and Problem Solving Model

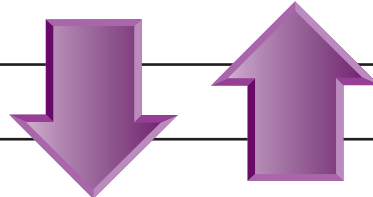

Clarify...

What am I being asked to do?

Collect...

What do I already know?

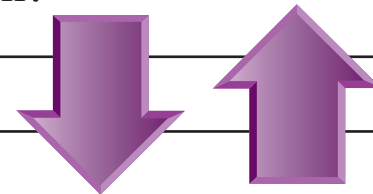

Identify...

What else do I need to know?

Plan...

How will I combine and use what I know to solve this problem?

Solve or Perform...

What must I do? What is my outcome?

Evaluate...

Is this outcome right? Is it enough?
How do I know?
