

JHS - Online HS Course Approval Form

Return form to your JHS Counselor for final approval

Student Name _____ ID # _____

Contact # (e.g. cell #) _____ Email _____

School Year: 20____ - 20____

Students earning a diploma through JHS must be enrolled in a full schedule of classes each term.

Online HS courses are not offered on the JHS campus; they are to be completed from the student's home (outside of school). Because of this, a student wishing to have OnlineHS course(s) added to his/her schedule must also get approval from his/her parent(s)/guardian(s) to have an early release and/or late arrival added to his/her JHS schedule.

Students who are taking Online HS courses CANNOT be on the JHS campus during their "Online at Home" early release and/or late arrival period(s). As a result, the student/parent must provide his/her own transportation to and from JHS to accommodate this requirement.

OnlineHS courses must be scheduled at the beginning or end of your school day (*you cannot schedule this option in the middle of your school day*).

Directions:

Please fill in the below boxes with the courses you would like to take at JHS and the courses you'd like to take through OnlineHS (see examples). This form does not lock in the specific periods you will have your JHS courses, it just acts as a request for the type of courses you would like to take at each program.
