### School & District Updates and News

#### **Free Tutoring Discontinued for the 2016-17 school year.**

This is due to Supplemental Education Services (SES) has been replaced by a new federal law. Public schools are no longer required to provide free tutoring.

#### **Wednesday Folders**

Please check your child's Wednesday folder for important information from the teacher and the principal.

#### **Safety**

We are fortunate to have two adult volunteers out in front of our school and on the corner of 12<sup>th</sup> and Poplar Street every day in the morning and during dismissal. Please be a safe driver and follow the traffic laws around schools. Five tickets were given in May due speeding and impeding traffic. Drivers can not stop in the road and let their children out. This is obstructing the flow of traffic. Also, please watch your speed. Thank you for helping keep our kids
