Campus Parking Guidelines

Important: Student parking on the JHS campus is a privilege!

This privilege may be suspended or revoked by HM Jackson High School Administration for failure to meet JHS Campus Expectations described in the Student Handbook, and/or failing to obey these rules:

- Responsibility:** The student authorized to drive by this form must take responsibility for their vehicle being mechanically safe and operated in a safe/mature manner. Seat belts must be worn by all occupants and traffic rules must be followed.
- Display of Hangers:** Hangers must be positioned on the rear view mirror, with the numbers clearly visible from both the front and back of the vehicle. The number of the hanger must match the number of your designated parking space. It is your responsibility to report a lost or stolen hanger.
- Withdrawn from JHS:** Students withdrawing from JHS must turn in parking pass to the ASB Secretary/Treasurer. The pass cannot be transferred to another student.
- Liability:** Students who choose to drive and park JHS campus do so at their own risk. The Everett School District JHS are not responsible for lost, damaged, or stolen property.
- Closed Campus:** JHS is a closed campus. Students ^{on} are not permitted in the parking lot during the school day. Students ^{and} leaving campus are required to have an off campus pass or an excuse from the attendance office.
- Parking :** Your parking hanger is restricted to your designated stall space. Vehicles are to be parked within designated (lines) spaces. Care must be taken to avoid blocking adjacent parking
- Student Parking is prohibited in the following areas:** Heatherwood Middle School, staff/visitor spaces, service areas, fire lanes, bus zones and other unmarked areas.
- Penalties:** Failure to observe the above conditions may result in \$50 fines, towing, loss of permit and/or loss of future permit eligibility.
