Dear Silver Firs Families,

The month of November truly marks the start of a special time of the year that reminds me of family, community, and gratefulness. And now, it's hard to believe we are entering the final month of 2022. We are a third of the way through the school year. Our students have been growing and learning so much, both academically and socially.

Dressing for the Weather

We have had some cold temperatures this November and I anticipate we will have more. As a reminder, please have your children wear their gloves, hats and warm jackets and coats. Recess will continue to be outside, rain or shine, and we want to make sure our students stay as healthy as possible.

Warmest Regards,

Aleta Smoot, Principal

From our Multilingual Coach

Silver Firs is honored to have so many linguistically and culturally diverse families as part of our school community. We recognize and celebrate diversity and actively promote students' native languages as part of their school experience. It is our desire to make our school more inclusive and reflective of our community. This month, families will see our new Diversity, Equity, and Inclusion library (DEI library) in the entry way when you enter through the office. This library will contain multilingual and multicultural books that can be checked out by students and family members. We have many languages represented and hope to continually expand our library so that our students and families can see themselves represented through their unique and varied linguistic experiences. There will be directions for how to check out books posted above the bookshelf. Research shows that students who are literate in their native language will transfer those skills to English. We encourage all of our families to read books to their children in their native/home languages. The result is increased literacy in English and more brain cell growth! We are excited to work in partnership with our families and communities to celebrate our diversity.

Warmly,
Lauren Fortney

Amazing Learning is Taking Place in the Library

Kindergarten - Oh what fun we've been having! The library is where these students are finding books that they love. After each read aloud, we have the students complete an activity connected to the book to increase comprehension and thinking beyond the text. This month we read *The Good, the Bad, and the Spooky*; *We are Family*; and *There was an Old Lady Who Swallowed a Pie*.

1st Grade - These students have started a unit learning about how to be an illustrator. We will read some fun books with illustrations that help to enhance the story. Students have listened to the story *How to Catch a Turkey* and learned how to draw a turkey. During the rest of the month they will listen to the stories *Chez Bob*, *If You Take a Mouse to the Movies*, and *The Little Reindeer*. Students will learn to draw the main characters of these books. Keep your eye out for their illustrations packet to come home right before Winter break.

2nd Grade - We are learning about genres! Ask your child what a genre is and to list some book genres. Each week we will read a different book and determine what genre that book is, then students will share evidence to explain their thinking. So far we have read a fantasy book (*Rules of the House*) and an informational book (*Pumpkin Circle*).

3rd Grade - Third graders have been hard at work learning how to be a good digital citizen for those times when they are online at home, in the classroom, and even in the library. These students have also started working on asking questions while reading. They are learning how to ask thick and thin questions. We practiced asking thick and thin questions with the book *Frye Bread*. Ask your child what these types of questions mean and to tell you what they learned about Frye bread.

4th Grade (and Mrs. Sander's 3rd graders) - The fourth graders finished creating a google slide all about a Washington state Native American tribe. These presentations have been printed and are on display in the library. Next, they are moving on to a fun project involving ugly Holiday sweaters. So far, students have done some research by reading about the history of ugly holiday sweaters. Next, they will get to plan and design their own sweater. We're having lots of fun in the library with these kids!

5th Grade - These students finished up creating a pendant about an important person in history who is hispanic. Then we spent some time learning how to be good digital citizens. The students talked about stereotypes when making friends online

and how to have beneficial online friendships. Next they will get to have a little fun by learning about and designing ugly holiday sweaters.

New Books

We have so many new books coming into the library. It's exciting to be able to get these books into the hands of kids. We have the Silver Firs PTA and grants from the Everett School District to thank for the ability to purchase all these new books. Please be nice to the books as you see them come home. We want to make sure they can stay in circulation for years to come.

Late Notices

We will be sending late book notices home periodically. In addition, we will be sending fine notices home for books that are overdue from the previous school years. If your child has lost any books please reach out to us and we can discuss next steps. If your child needs more time to complete a book please let us know, we are happy to renew that for them, but we just need to know about it.

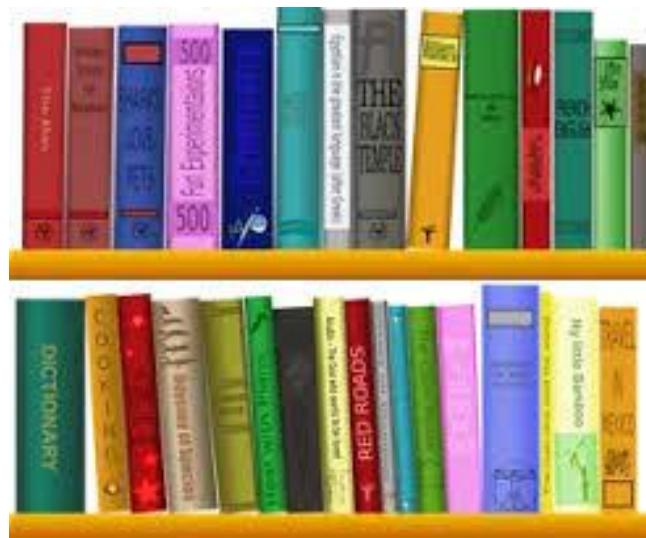

Please let us know if you have any questions!

HOLIDAY TOY DRIVE

November 28th through December 9th

Kim Nunnally-Hirata, School Social Worker

The Silver Firs Fifth Grade Student Council is hosting our annual Holiday Toy Drive benefiting Christmas House. Christmas House is a local, non-profit organization that provides toys/gifts during the holiday season to children in low-income families throughout Snohomish County.

Items needed for Christmas House are new, unwrapped toys that your own children would want as gifts. Toys will be collected from November 28th through December 9th. Please have your child deliver donated items to their classroom and Student Council members (fifth grade students) will collect the gifts from each classroom.

In addition to toys, Christmas House also accepts other items that low-income families may need in the winter months. Please visit their website at www.christmas-house.org for more information about Christmas House and what items they need.

Thank you for your support of Student Council in bringing holiday joy to those in need in our community!

Guaranteed Admissions Program

We are excited to announce Everett Public Schools is now a participating institution in the [Guaranteed Admission Program](#), or GAP.

Everett Public Schools has partnered with Central Washington University, Eastern Washington University, The Evergreen State College, Washington State University and Western Washington University to help students meet their college and career goals through the Guaranteed Admissions Program (GAP). Through GAP, a student who meets the following criteria is guaranteed admission to these institutions.

Get admitted. Guaranteed.

With the Guaranteed Admissions Program, you are just steps away from admission to a Washington public four-year college or university.

To qualify, a student must have:

1. A minimum cumulative GPA of 3.0
2. Completed necessary College Academic Distribution Requirements (CADR) courses in high school (typically mirrors high school grad requirements)
3. Completed this Guaranteed Admissions Program Opt-in Form giving your permission to release information to the participating colleges and universities

EVERETT PUBLIC SCHOOLS  GUARANTEED Admissions Program

To qualify for the Guaranteed Admissions Program, a student must have:

1. A minimum cumulative GPA of 3.0
2. Completed necessary College Academic Distribution Requirements (CADR) courses in high school (typically mirrors high school grad requirements)
3. Completed this Guaranteed Admissions Program Opt-in Form giving your permission to release information to the participating colleges and universities

The Guaranteed Admissions Program Opt-in Form is for parents/guardians of current juniors and seniors of Everett Public Schools high schools. The deadline for completing this form is Friday, January 6, 2023. [Opt-In Form](#)

Thank you for participating in the  **thoughtexchange**

Last month, families and staff were invited to participate in a ThoughtExchange to share their thoughts on, “What is working well, and what opportunities are there to improve the way our district and schools communicate?” Thank you to all who participated. The results are in and posted on our [engagement webpage](#) with action items.

Parent University video highlight

New resources have been added to [Parent University](#), including a video highlight on high school course options (College in the High School, Advanced Placement and Running Start). To view the collection of short informative on-demand videos and “how-to” guides, click on Video Resources on the left menu.

We want to hear from our families! Everett Public Schools empowers parents and guardians to be engaged in their child's education. If you have a suggestion based upon a top concern and/or area of interest, we are seeking input as we develop more videos this school year.

If you have additional topics you would like to suggest, please email communications@everettsd.org.

The gift of attendance

Absences spike in the weeks before and after the winter holiday as families squeeze in a few more vacation days. Just a few missed days here and there, even excused absences, can add up and lost learning time can put your child behind in school.

This is as true in kindergarten as it is in high school. Put simply, too many absences at any age can affect a student's chances for academic success and eventually for graduation. This holiday season give your children the gift of an education and the habit of attendance.

Every day of school is an important opportunity for students to learn as well as to connect with their peers and teachers. As long as your child is healthy, please encourage showing up to class when school is in session.

If your child is absent, please email the school at their attendance email address, which you can find on the school website. If email is not possible, and even if you leave a message with the school attendance line, please send a written note to the school office within 30 days after your student returns to school.

Family resources

Could you or a family you know use some help? Find information and links to helpful resources on the district's [Parent Tools webpage](#):

- [Washington State Library](#) – local and regional information about services and agencies offering help to families in a variety of ways including food, shelter, clothing, childcare, legal services, employment opportunities, and counseling
- Everett Public Schools [Kids In Transition \(KIT\) program](#) – supports homeless children and youth to continue their education
- Snohomish Health District for [Snohomish County community dental resources](#) for children and adults
- [United Way of Snohomish County](#) – 2-1-1 is a free telephone number that is your best "first call" to quickly find the right source of help. The information line is staffed by trained operators from Volunteers of America Western Washington who can connect you to a wide range of community services.

Calendar reminder

This is a friendly reminder that Winter Break is December 19 to January 2, with classes resuming on Tuesday, January 3, 2023.

Space still available in ECEAP preschool

Everett Public Schools Early Childhood Education & Assistance Program (ECEAP) is a FREE preschool program for three- and four-year-old children from families with limited income. ECEAP prepares children for kindergarten and provides family support and health and nutrition services. It is funded by the Washington State Department of Children, Youth and Families (DCYF).

The six ECEAP sites within our school district are Cedar Wood, Hawthorne, Jackson, Lowell, Madison, and Silver Lake elementary schools. Space is limited – apply now! For an application or more information, please visit the www.everettsd.org/ECEAP or call 425-385-4628.

Transitional Kindergarten Program

Everett Public Schools offers Transitional Kindergarten (TK) for children who are not currently in an early learning program and are scheduled to enter kindergarten in the fall of 2023. The program focuses on basic academic, social and self-help skills to jumpstart qualifying students toward success in school. Students will be screened and may qualify based on need.

To be eligible for screening, children must:

- be five years old by August 31, 2023
- live within the boundaries of Everett Public Schools
- not be currently enrolled in an early learning program
- demonstrate academic and/or social-emotional needs

Requests for screening opened in November. If you are interested in Transitional Kindergarten and believe your child may qualify, please visit our website at www.everettsd.org/TransitionalKindergarten and submit an interest form by **Friday, December 16, 2022**.

Transitional Kindergarten begins in late January 2023 and will run through the last day of school in June 2023. School locations will be determined in January and will be communicated directly to eligible families. For preschool options, please visit our Early Childhood Education & Assistance Program (ECEAP) webpage at www.everettsd.org/ECEAP.

Accepting Highly Capable referrals until Dec. 16

The Highly Capable program in Everett Public Schools is designed to meet learning needs and challenge students who have advanced thinking and academic abilities. “HC” classes, as they are often referred to, are open to students in second, third, fourth and fifth grade. HC students learn and study in self-contained classrooms with a fast-paced curriculum that encourages and inspires them to develop higher level thinking skills. HC classrooms are held in specific schools in the district, based upon qualified enrollment. The district provides transportation to students in HC classes.

Find forms, information and evening events on the [Highly Capable website](#). Referrals are for students currently in grades one through four for winter testing, which will take place in February and March with more information to come.

Delayed start or closed schools

If we must cancel school or delay the start of school, we will use our parent communication system to call in the morning, typically around 5:30 a.m. (or sometimes the night before if it can already be determined) with a brief message about the reason for closure or delay. We will also use local media, social media and post the message on our website.

If there is no announcement about Everett Public Schools, school is on the regular schedule. More information and resources for school closures or delays is on the district website under the *Parents* tab.

In cases of inclement weather or other emergencies, please:

- check your email or phone for district messages
- listen for media announcements
- view the district's website at www.everettsd.org
- watch district [Facebook](#), [Twitter](#) or [Instagram](#) accounts

Snow routes are online

School drop off and pick up locations may change in an emergency situation. If your child rides a bus to school, please become familiar with the snow route information on the district [transportation department's webpage](#) under "Snow Routes" icon in the center of the page.

Board of Distinction

Everett Public Schools board of directors earned high honors with the designation as a *Board of Distinction 2022*. Applications are reviewed by a panel of judges that includes former and current educational service district superintendents, State Board of Education board members, former school directors and other education leaders in Washington state. Scoring is based on how well applicants show alignment with the Washington School Board Standards, support their statements with data and demonstrate a link between outcomes and decisions made by the board.

Gracias por participar en el thoughtexchange

El mes pasado, se invitó a las familias y al personal a participar en un intercambio de ideas para compartir sus pensamientos sobre "¿Qué está funcionando bien y qué oportunidades hay para mejorar la forma en que nuestro distrito y las escuelas se comunican?". Gracias a todos los que participaron. Los resultados se publicaron en nuestra [página web de participación](#) con los elementos de acción.

Programa de admisión garantizada

Nos complace anunciar que las Escuelas Públicas de Everett ahora son una institución participante en el [Programa de Admisión Garantizada](#) o GAP.

Las Escuelas Públicas de Everett se han asociado con Central Washington University, Eastern Washington University, The Evergreen State College, Washington State University y Western Washington University para ayudar a los estudiantes a alcanzar sus metas universitarias y profesionales a través del Programa de Admisión Garantizada (GAP). A través de GAP, un estudiante que cumpla con los siguientes criterios tiene garantizada la admisión a estas instituciones.

Para calificar para el Programa de Admisiones Garantizadas, un estudiante debe tener:

1. Un GPA acumulativo mínimo de 3.0
2. Completar los cursos necesarios de Requisitos de Distribución Académica Universitaria (CADR) en la escuela secundaria (generalmente refleja los requisitos de graduación de la escuela secundaria)
3. Completó este formulario de suscripción al programa de admisión garantizada dando su permiso para divulgar información a los colegios y universidades participantes

El formulario de inscripción del programa de admisión garantizada es para los padres/tutores de los estudiantes del penúltimo y último año de las escuelas secundarias de las Escuelas Públicas de Everett. La fecha límite para completar este formulario es el viernes 6 de enero de 2023. [Formulario de suscripción](#)

Video destacado de la Universidad de Padres

Se han añadido nuevos recursos a la [Universidad de Padres](#), incluido un video destacado sobre las opciones de cursos de secundaria (College in the High School, Advanced Placement y Running Start). Para ver la colección de videos informativos cortos bajo demanda y guías prácticas, haga clic en "Video Resources" (Recursos de video) en el menú de la izquierda.

¡Queremos escuchar a nuestras familias! Las escuelas públicas de Everett les permiten a los padres y los tutores participar en la educación de sus hijos. Si tiene una sugerencia basada en una preocupación o área de interés principal, estamos buscando información para desarrollar más videos este año escolar.

Si tiene temas adicionales que le gustaría sugerir, envíe un correo electrónico a communications@everettsd.org.

El don de la asistencia

Las ausencias aumentan en las semanas anteriores y posteriores a las vacaciones de invierno, ya que las familias aprovechan algunos días más de vacaciones. Unos pocos días perdidos aquí y allá, incluso las ausencias justificadas, pueden sumar y el tiempo de aprendizaje perdido puede hacer que su hijo se retrase en la escuela.

Esto es tan cierto en el jardín de infancia como en la escuela secundaria. En pocas palabras, demasiadas ausencias a cualquier edad pueden afectar las posibilidades de éxito académico de un estudiante y, al final, su graduación. Estos días de fiesta regáleles a sus hijos la educación y el hábito de la asistencia.

Cada día de clases es una oportunidad importante para que los estudiantes aprendan y se conecten con sus compañeros y maestros. Mientras su hijo esté saludable, anime a asistir a clase cuando la escuela esté en sesión.

Si su hijo está ausente, envíe un correo electrónico a la escuela a su dirección de correo electrónico de asistencia, que puede encontrar en el sitio web de la escuela. Si el correo electrónico no es posible, e incluso si deja un mensaje en la línea de asistencia de la escuela, envíe una nota por escrito a la oficina de la escuela dentro de los 30 días posteriores al regreso de su estudiante a la escuela.

Recursos familiares

¿Le vendría bien a usted o a una familia que conozca una ayuda? Encuentre información y enlaces a recursos útiles en la [página web de herramientas para padres del distrito](#):

- [Biblioteca del estado de Washington](#): información local y regional sobre los servicios y las agencias que les ofrecen ayuda a las familias de diversas maneras, como alimentos, alojamiento, ropa, guardería, servicios jurídicos, oportunidades de empleo y asesoría.
- [Programa Niños en transición \(Kids In Transition, KIT\)](#) de las escuelas públicas de Everett: ayuda a los niños y jóvenes sin hogar a continuar su educación.
- Distrito de salud de Snohomish para los [recursos dentales de la comunidad del condado de Snohomish](#) para niños y adultos.
- [United Way del condado de Snohomish](#): el 2-1-1 es un número de teléfono gratuito que constituye la mejor "primera llamada" para encontrar rápido la fuente de ayuda adecuada. La línea de información está atendida por operadores formados de Volunteers of America Western Washington que pueden ponerlo en contacto con una amplia gama de servicios comunitarios.

Todavía hay espacio disponible en el ECEAP de preescolar

El Programa de Educación y Asistencia para la Primera Infancia (Early Childhood Education & Assistance Program, ECEAP) de las escuelas públicas de Everett es un programa preescolar GRATUITO para niños de tres y cuatro años de edad de familias con ingresos limitados. El ECEAP prepara a los niños para el jardín de infancia y les ofrece apoyo a las familias y servicios de salud y nutrición. Está financiado por el Departamento de Niños, Jóvenes y Familias (Department of Children, Youth and Families, DCYF) del estado de Washington.

Los seis sitios del ECEAP dentro de nuestro distrito escolar son las escuelas primarias Cedar Wood, Hawthorne, Jackson, Lowell, Madison y Silver Lake. Los cupos son limitados: ¡inscríbase ahora! Para obtener una solicitud o más información, visite la página web www.everettsd.org/ECEAP o llame al 425-385-4628.

Programa de jardín de infancia de transición

Las escuelas públicas de Everett ofrecen el jardín de infancia de transición (Transitional Kindergarten, TK) para los niños que no están en este momento en un programa de aprendizaje temprano y están programados para entrar en el jardín de infancia en el otoño de 2023. El programa se centra en las habilidades académicas, sociales y de autoayuda básicas para impulsar a los estudiantes que califican hacia el éxito en la escuela. Los estudiantes serán sometidos a una prueba y podrán calificar según sus necesidades.

Para ser elegibles para la prueba, los niños deben:

- Cumplir cinco años antes del 31 de agosto de 2023.
- Vivir dentro de los límites de las escuelas públicas de Everett.
- No estar inscritos en un programa de aprendizaje temprano en este momento.
- Demostrar necesidades académicas o sociales y emocionales.

Las solicitudes de prueba se abrieron en noviembre. Si usted está interesado en el jardín de infancia de transición y cree que su hijo puede calificar, visite nuestro sitio web en www.everettsd.org/TransitionalKindergarten y envíe un formulario de interés antes del **viernes, 16 de diciembre de 2022**.

El jardín de infancia de transición comienza a finales de enero de 2023 y se extenderá hasta el último día de clase en junio de 2023. La ubicación de las escuelas se determinará en enero y se les comunicará directamente a las familias elegibles.

Para conocer las opciones de preescolar, visite nuestra página web del Programa de Educación y Asistencia para la Primera Infancia (ECEAP) en www.everettsd.org/ECEAP.

Se aceptan remisiones de Highly Capable hasta el 16 de diciembre

El programa Highly Capable de las escuelas públicas de Everett está diseñado para satisfacer las necesidades de aprendizaje y desafiar a los estudiantes que tienen habilidades académicas y de pensamiento avanzadas. Las clases de "HC", como se les suele llamar, están abiertas a estudiantes de segundo, tercero, cuarto y quinto grado.

Los estudiantes de HC aprenden y estudian en aulas autónomas con un plan de estudios de ritmo rápido que los anima e inspira a desarrollar habilidades de pensamiento de nivel superior. Las aulas de HC se encuentran en escuelas específicas del distrito, en función de las inscripciones calificadas. El distrito les proporciona transporte a los estudiantes en las clases de HC.

Encuentre formularios, información y eventos nocturnos en el [sitio web de Highly Capable](#). Las remisiones son para los estudiantes que en este momento están en primero a cuarto grado para las pruebas de invierno, que se llevarán a cabo en febrero y marzo con más información por venir.

Retraso en el inicio o cierre de las escuelas

Si tenemos que cancelar las clases o retrasar el comienzo de las mismas, utilizaremos nuestro sistema de comunicación con los padres para llamar por la mañana, a menudo sobre las 5:30 a. m. (o a veces la noche anterior si ya se puede determinar) con un mensaje breve sobre el motivo del cierre o el retraso. También utilizaremos los medios de comunicación locales, las redes sociales y publicaremos el mensaje en nuestro sitio web.

Si no hay ningún anuncio sobre las escuelas públicas de Everett, la escuela está en el horario normal. En el sitio web del distrito, en la pestaña *Parents* (Padres), encontrará más información y recursos sobre los cierres o los retrasos de las escuelas.

En caso de inclemencias del tiempo u otras emergencias:

- Compruebe su correo electrónico o teléfono para ver si hay mensajes del distrito.
- Escuche los anuncios de los medios de comunicación.
- Consulte el sitio web del distrito en www.everettsd.org.
- Consulte las cuentas del distrito de [Facebook](#), [Twitter](#) o [Instagram](#).

Las rutas de nieve están en línea

Los lugares de entrega y recogida de la escuela pueden cambiar en una situación de emergencia. Si su hijo va en autobús a la escuela, familiarícese con la información de las rutas de nieve en la [página web del departamento de transporte](#) del distrito bajo el ícono "Snow Routes" (Rutas de nieve) en el centro de la página.

Junta de distinción

La junta directiva de las escuelas públicas de Everett ha obtenido altos honores con la designación de *Junta de distinción de 2022*. Las solicitudes son revisadas por un panel de jueces que incluye a superintendentes antiguos y actuales de distritos de servicios educativos, miembros de la Junta Estatal de Educación, antiguos directores de escuelas y otros líderes de la educación en el estado de Washington. La puntuación se basa en el grado de alineación de los solicitantes con las Normas de la Junta Escolar de Washington, en el apoyo a sus declaraciones con datos y en la demostración de un vínculo entre los resultados y las decisiones tomadas por la junta.

Recordatorio del calendario

Este es un recordatorio amistoso de que las vacaciones de invierno son del 19 de diciembre al 2 de enero, y que las clases se reanudarán el martes, 3 de enero de 2023.
