Program vision » After completing core high school coursework, students have the opportunity to enter a career pathway and gain the academic, technical, and workplace knowledge and skills allowing for seamless continuation to postsecondary credentials. Students can then transition to the workplace or continue to pursue graduate programs.
## Career Pathway: Readiness Opportunities

### Medical & Health Careers

#### School based learning
Career and technical education (CTE) courses as well as integration of career skills, knowledge and advising into district's core courses.
