Lockdown Drill Reminders Heatherwood Middle School

Lockdown Drill Overview

- An announcement will be made that the school is in a lockdown. If this is a practice drill, this will be in the announcement.
- All students:
 - Stop what you are doing and listen for staff directions.
 - Students in a classroom stay in their classroom. Students in the hallways would find the closest classroom and follow staff directions to lockdown.
 - Ouring a full lockdown, we would close and lock all doors and windows, sit silently, and wait for further instructions.
- There will be an additional announcement once the drill is completed.

Lockdown Drill Safety Reminders

- Find closest classroom that can be secured and locked.
- Find best location within classroom that is not visible from the hallway.
- During Lockdown:
 - Sit Silently
 - Follow staff directions

Thank You

- Remember to follow teacher and staff safety directions during all drills.
- Be ready to practice these skills later this month and school year.
