Lockdown Drill Reminders  
Heatherwood Middle School

# Lockdown Drill Overview

- An announcement will be made that the school is in a lockdown. If this is a practice drill, this will be in the announcement.
- All students:
  - Stop what you are doing and listen for staff directions.
  - **Students in a classroom stay in their classroom. Students in the hallways will find the closest classroom immediately and follow staff directions to lockdown.**
  - During a full lockdown drill, we close and lock all doors and windows, turn off lights, sit silently, and wait for further instructions.
- There will be an additional announcement once the drill is completed.

# Lockdown Drill Safety Reminders

- Find closest classroom/room that can be secured and locked.
- Find best location within classroom that is not visible from the hallway.
- During Lockdown:
  - Sit Silently
  - Follow staff directions

# Thank You

- Remember to follow teacher and staff safety directions during all drills.
- Be ready to practice these skills later this month and school year.

great day
