Let's start getting prepared to turn in your device Tuesday, June 17th

- **There will be no more loaner Chromebooks or chargers available this year.**
- Please try to find your stylus, charger and case and a Hotspot if you have one . Make sure they are HERE the day we collect devices. The charger you are looking for is a 65W Lenovo. Any charger not of that spec will not be counted as a returned charger. Knock-off's will not be accepted as they were all verified, and no one was assigned anything other than the Lenovo.
- While at home - Please remove all the stickers and gum wrappers that you placed on the device and take out most of the items you are storing in the case. Please don't use any cleaners on the devices at home.
- If you won't be here for the collection process, please let attendance and registration know so we can get your Chromebook before you go.
- Remember to bring your charged device every day until they are collected.
- If you have any other Everett Public School device, Hotspot, charger that wasn't previously returned, we will take those as well.
