Evacuation Drill Overview

- The fire alarm will sound when there needs to be an evacuation from the school building.
- All students:
 - Stop what you are doing and stay calm.
 - Students in a classroom, please follow teacher directions for evacuation to the football field.
 - Students at lunch or during passing, please evacuate and walk to the football field.
 - Once at the football field evacuation area, please locate your **2nd period/Hawk Time teacher** and line up at your assigned location on the field.
 - Upon completion of the drill and once staff has given directions, please return with your class to your classroom or location to be announced.

Evacuation Drill Overview

- The fire alarm will sound when there needs to be an evacuation from the school building.
- All students:
 - Stop what you are doing and stay calm.
 - Students in a classroom, please follow teacher directions for evacuation to the football field.
 - Students at lunch or during passing, please evacuate and walk to the football field.

Evacuation Drill Safety Reminders

- Safety is a top priority during evacuation from the building.
 - **Walking**
 - **Hands to yourself**
 - **Following staff directions**
- All students will line up with their 2nd Period/Hawk Time teacher at their assigned location on the football field.
- Be mindful of others at all times and stay in line with your teacher while you wait for further instructions.

Thank You

- Remember to follow teacher and staff safety directions during all drills.
- Be ready to practice these skills later this month and school year.

A scenic autumn landscape featuring a dirt path lined with trees displaying vibrant red and orange foliage. The path is flanked by a wooden fence, and the ground is covered in fallen leaves. The scene is captured from a low angle, looking down the path towards a bright, hazy horizon.

Have a Great Day Hawks!
