

Dear Parents & Guardians,

Welcome to a new school year! This year, I have decided to use a free, safe messaging app called "Remind" as an additional form of communication. This app will allow me to periodically send out reminders via text message, but it will not be replacing emails and phone calls. These quick, simple messages will help you and your student stay up to date on homework assignments, schedule changes, and more! In order to sign up to receive these messages from me, please follow the instructions for one of the options below:

OR

OR

Codes:

6th Grade: f68eg62

7th Grade: 48c384

8th Grade: gbe7dk

Please keep in mind that this is a secure app. You will not receive spam texts and your phone number will remain private. You can also choose to opt out at any time! It is my hope that this will strengthen our connection between school and home. I can't wait to work together to help your child be successful this year! Please let me know if you have any questions.

Thank you,
