

Dear Ms. Watsons' Lifetime Fitness Parents

I would like to welcome you and your child to Ms. Watsons' Lifetime Fitness class. This year, I am using Remind to help keep you informed about classroom activities and assignments. Remind is a **FREE** service that lets me send quick messages via text, push notifications, or email to everyone involved with the class. We will be able to stay in touch without revealing our personal contact information. Signing up for my messages on Remind is easy.

- ✓ Your personal contact information is not visible to the school or me.
- ✓ I can send announcements to the entire class.
- ✓ All messages are recorded and easily accessible in case they need to be referenced in the future.
- ✓ Messages from my class will be sent to you directly to your phone or email account.
