January 8th Announcements

- Juniors and Sophomores- There will be a presentation about Sno-Isle Tech Skill Center for the 2018-2019 school year on Wednesday, January 10 in the Career Center at 9:30am. If you are interested in learning more or plan to apply for next year please pick up a pre-arranged absence form from Mrs. Allen in order to attend the presentation.
- From the administration and safety team: Students, as we continue our focus on school safety, we are tightening expectations that any time classes are in session, students must have a pass when in the hallways. Please avoid a consequence by making sure you have an approved hall pass whenever you are outside your classroom during class time. If your teacher has agreed to meet with you in their classroom during lunch in the C- or D-wing, you will need to obtain a pass in advance from your teacher. Please take care of your locker needs prior to the lunch time. If you have a special situation, please check with an administrator or other lunch supervisor. Thank you for your help as we continue to grow and emphasize safety in our school.
