

Thursday 2/7 Announcements

- Jackson Staff and Students. Tonight the JHS Girls basketball team has their first playoff game at home against North Creek High School. Tip off is at 7:00 pm. Come out and cheer on our amazing Girls Basketball team. Reminder that it is a playoff game and even though it's at Jackson the cost for students is \$5.00 with ASB and \$7.00 without.
- The 2019-2020 Executive ASB Board Election packets are due back to the Scoop today!!!!
- Attention next year's juniors and seniors: There will be a Youth Apprenticeship in Aerospace and Manufacturing information night. This parent and student information night will be Feb. 12 from 6 – 7:30 in the JHS Library. This is a new program offering apprenticeships in mechanic, tool and die maker, precision fabricator, industrial maintenance mechanic and aircraft mechanic. See the flyer in the Library for more information
- Want a Valentine's Day singing gram sent to your friend, teacher, or loved one? Choir will be doing Valentines again this year! Come up on stage during lunch with your friend's first period class and the room number to order a song! Songs will cost \$2 and songs with candy will cost \$5! Valentines will be sold February 11th to 13th!
- Latino Leadership Club is going to be selling Valentines day gifts from February 4th-13th at both lunches and will be handing them out on Valentine's day. Be sweet and send a treat to your favorite Valentine!
- Floating Forward Balloon Shop will be taking valentine balloon bouquet preorders now until February 13th, \$5 in the annex at both lunches
- Attention: Juniors and Seniors! Open Campus Stickers, for students who qualified, will be available for pick up today, outside of the Security Office B212. Please remember to bring your ASB or student ID with you.
- Happy Thursday from your counselors. Today's message is about #goals (hashtag goals). The definition of a goal is "the object of a person's ambition or effort; an aim or desired result." You can establish goals for every area of your life: as a student, friend, daughter or son, sibling and member of society. Goals can be short term (like dedicating 20 minutes each day to physical exercise to maintain your health and wellness) or long term (like studying and working hard to become an architect). In the words of famed boxer, Muhammad Ali, "What keeps me going is goals." Have you given thought about your life goals? We would love to hear about them. Come by and let's talk! Make today count!
- Do you know any graduating high school seniors that plan to continue their education in a STEM field after high school? If so, please encourage them to apply for our 2nd Annual STEM Signing Day! It will be on Friday, April 12th, 2019 at the Columbia Room, State Capitol in Olympia, WA from about 10:00 a.m. – 12:00 p.m. and transportation will be provided. Just like signing days for athletes, the Washington State Science, Technology, Engineering, and Mathematics (STEM) Signing Day, will celebrate high school seniors from across the state as they make their commitments to continuing education programs in STEM.
-

Wednesday 2/6 Announcements

- The Boys Basketball team is the 2019 Wesco 4A Champion, finishing with an undefeated league record. The First district playoff game will be this Saturday, 5pm at Jackson
- It's National School Counseling Week! The week, sponsored by the American School Counselor Association (ASCA), highlights the unique contribution of school counselors within U.S. school systems and the tremendous impact they can have in helping students achieve school success and plan for a career. Take a moment to thank your school counselor(s). Today's message is about lessons shared. A wise woman once said, "Sharing is a wonderful thing, especially to those you've shared with." When we have gained lessons through experiences and situations, many times we hold them close to us. Don't get me wrong; sometimes these lessons are private and should remain confidential. However there are times when a lesson you learned, if shared, can help a fellow student. Here are some examples: when you learn about a more effective way to take notes to prepare for an upcoming exam - share it. When you discover a better way to tackle time management challenges - share it. When you find ways to be a better friend - share it. As your school counselor, I take pride in sharing my life lessons with the students of Jackson. If you ever want to chat, stop by! Sharing is caring!
- Please support HOSA's trip to state today, Wednesday the 6th, by eating at MOD pizza! Just show the cashier a picture of the fliers that can be found around the school and 20% of your proceeds will be donated to the club!
- Are YOU interested in being a part of the 2019-2020 Jackson Executive ASB Board!? We are looking for driven, passionate individuals ready to jump into ASB for the next school year. Forms are out on the Scoop now, due back TOMORROW!
- Attention next year's juniors and seniors: There will be a Youth Apprenticeship in Aerospace and Manufacturing information night. This parent and student information night will be Feb. 12 from 6 - 7:30 in the JHS Library. This is a new program offering apprenticeships in mechanic, tool and die maker, precision fabricator, industrial maintenance mechanic and aircraft mechanic.
