- **TOMORROW IS THE DAY OF SILENCE**

For those who are new to this yearly observance, the Day of Silence is a day where students across the world observe the silence that people are forced into in order to protect themselves from bullying and harassment.

The hope is to encourage us all to be accepting of others—no matter what our differences are, and to lend support to those in distress.

What will happen:

- Tomorrow students meet by the stage between 7:00-7:25 to sign in and take the vow
- If you want to participate you can do so either as a person who takes a vow of silence or as a person who lends support.
- At the end of the day, all those who take the vow meet up at the flagpole to remove the tape and give a yell to break the silence.
- A pizza party is afterwards in C122 (Guffey's room) for all those who signed up to participate in the Day of Silence. **ALL TEACHERS AND ADMIN ARE WELCOME.**
- **NEWSFLASH!**

Day of Silence t-shirts have been reduced in price to \$10.

We will be selling them through the end of Thursday.

- How we treat our world and how we treat each other is incredibly important. Abuses to our environment rob us of future opportunities to live healthy lives and enjoy all the aspects of the world around us. Abuses to our fellow humans rob us of love and dignity. During the coming week we are presenting activities that honor the safety of our world and the safety of the people in it. Monday is celebrated as Earth Day here at Jackson and Thursday will be the Day of Silence. Both are significant days in that they make us aware of our responsibilities to the Earth and to each other as well as provide us ideas as to how to meet those responsibilities. Each day of the week we are asking you to wear a different color in order to raise awareness about different types of bullying and harassment. We are also asking you to bring with you an item that represents different aspects of what it means to protect our environment. To begin:
Monday--
Wear Red to represent physical abuse and sexual harassment, and bring a stuffed animal to acknowledge our struggle to protect other species.
TOGETHER WE CAN MAKE A DIFFERENCE!
