

Summer Math

Challenge

Make summer count and keep your math brain sharp! Engage in exciting mathematics activities, problem solving and puzzles by participating in the EPS Summer Math Challenge.

July — August

Elementary Math Calendars (Grades K–5)

Calendars with daily/weekly fun math activities for the whole family. PDF versions can be downloaded from the website.

Secondary Summer Math Challenge (Entering Grades 6–12)

Weekly online problem sets offered through the district website for middle and high school students.
