# FREQUENTLY ASKED QUESTIONS AND PROGRAM GUIDELINES

**Q: Who can eat at the sites?**

A: Anyone between the ages of 1-18.

**Q: Do I need to show my identification?**

A: No. We do not ask for any form of identification.

**Q: Will I need to show proof of income?**

A: There are no income guidelines for you to receive free meals.

**Q: I'm a parent/guardian and I would like to eat with my child. Can I have a meal too?**

A: Parents/guardians are always welcome to sit with their child, however free meals are only for ages 1-18. If you are over the age of 18 you can purchase lunch for \$4.00.

**Q: How many meals can my child receive each day?**

A: Each child receives one free meal during each meal period the site provides. If the site serves breakfast and lunch, then the child may receive 1 breakfast and 1 lunch that day.

**Q: My child is being told they must take certain components to make a "reimbursable meal". What does that mean?**

A: Everett Public Schools Food and Nutrition department receives federal funding for each reimbursable meal that we serve following the guidelines given to us. This means that we are required to make sure each child takes the right number of components for breakfast and lunch to make it count as a meal that we will be reimbursed. Sites that do not follow the reimbursable guidelines may be asked to close their site and/or pay for the meals that did not follow the guidelines. Below are the components of a reimbursable meal.

**Q: Can my child pick up their meal and bring it home?**

A: The free meal must be consumed on site. However, we do allow kids to take their fruit, vegetable and cracker with them for later.

**Q: How can I find a site near me?**

A: Several different ways are listed on the front of this flyer.

**Q: I want to help, what else can I do?**

A: Volunteer! Our best sites have organized, well-run activities that keep the interest of the children and teens coming back to the site day after day. Some of these activities include arts and crafts, tutoring, mentoring, drama, sports, and other programs.

## Reimbursable Meal Components
