

Additional Information...

Ms. Toneri & Friends

Daily Take Home Folders

Please make sure your child brings his/her folder to and from school every day. The folder provides a fluid way in which you and I can communicate through written form. Please check your child's folder each It is the expectation students are reading daily for 20 minutes. Math homework will be given during the week to support practice of concepts and skills presented that week.

Volunteers

Please make sure your volunteer status is current and that you have received the required training. If you are someone who enjoys helping out in the classroom and can make a weekly commitment and has not yet shared this information with me, please let me know. Or, if you prefer to help from home with material preparation, at school parties, or on fieldtrips, please know your involvement supports your child's learning and is also appreciated. I welcome your participation.

Fieldtrips

Students will have the opportunity to participate in one fieldtrip this year. It is yet undecided where we will enjoy our fieldtrip.

Birthdays & Parties

We love to celebrate birthdays (usually 2:15 p.m. Please let me know if a treat is coming so I can schedule time for it. There are 19 students in our classroom. Low sugar treats are appreciated... School policy states food brought to school must be store purchased and packaged. We will celebrate Valentines Day.

Lunch Money

If your child purchases lunch more than a couple times per year, prepaying for a number of lunches is efficient.

Snacks

This year, students are able to enjoy lunch at 10:35 so a daily snack is not necessary. However, should you choose to send in a treat for students, we promise to enjoy them.

Prize/Book/Jewelry Box

If your child is cleaning his/her room and finds small no longer needed gently used items or books he/she would like to contribute to our prize/book box we welcome contributions. Anytime I am at Target, The Dollar Store, Fred Meyers, etc. I pick up items.
