

# SECOND GRADE STARS

*Friends, Ms. Toneri & Mr. Andrews - October 6th, 2023*

## Homework

That old classic, the homework packet, our second packet has just been released! Your student will bring home a new homework packet each week with a week to complete it. Please use this as it works best for your family, including skipping it or just doing part if that works best for you. I told the students that their grown-ups are the boss of the homework packet! But, I recommend everyone complete it, even if with help.

## Literacy & Mathematics

I can identify the topic and main idea of a story. I can tell main details of a story.

I can blend 2-letter sounds as in flock.

I can use and say short vowel sounds correctly.

I can write 5 complete sentences about a topic using correct punctuation.

I can find the missing addend in an equation such as  $20 - \underline{\quad} = 14$ .

I can read a graph and talk about the data.

I can tell you butterfly larva is live which means I must carefully care for my larva.

## Fun Run-Monroe PTA

Our fantastic PTA is eager to sponsor "Monroe Spirit Fun Run" which will occur on Friday, 10-20-23. Your child brought home his/her pledge sheet on Tuesday. But, everyone runs, with or without pledges so wear your tennis shoes and Monroe gear or red, white and/or blue on Friday, 10-20-23.

## Important Dates Coming Up

- 10/13 No School-Teacher Workday
- 10/18 Vision Screening (bring your glasses)
- 10/20 PTA FUN RUN (wear your tennies)
- 10/27 Pumpkin Night @6:30-8:00

## Conversation Starters with Your Student

"What are different ways we can organize data in a way that's easy to see?"

"What is the difference between main idea and details?"

"How many proper nouns can you name?" (Hint: a proper noun is a special name and always capitalized ... like Ms. Toneri or Monroe Elementary School.
