

Party at 1:10
on 2-14

Valentine's Day List
Homework for this week &
next week.

Make a valentine for each friend stating one positive thing about each classmate. Be sincere.

Have fun making a valentine for each friend. Bring to school 2-11-19 to put in holders. Of course, you may also bring store purchased valentines but this is your homework this week. If you would rather make these positive affirmation valentines on your computer than use this paper, that is fine. Remember to color and decorate! 😊
