Thank you for all the positive feedback about the new organization in Our Google Classroom. I thoroughly enjoy reviewing your work and providing feedback. You will also find directions of how to join KHAN academy if you haven't yet joined, our classroom code to join is: GRQ8UXUS It is necessary for you to be in our google classroom when you join. KHAN academy assignments are supplemental (optional) to assignments in Our Google Classroom for those students and parents desiring additional assignments. Chromebooks can still be checked-out Wednesdays from 10:15-11:15 a.m. @ Monroe.

Something else that has been asked frequently, "How do I most easily navigate "Google Classroom"? The way the program is set up, everything that appears in the stream can also be found under the "**CLASSWORK**" tab, that is the way the program works. When students navigate to Our Google Classroom they should click on the "**CLASSWORK**" tab at the top of the page (ignore all other tabs), all assignments, notes, zoom meetings, Principal Paddock's weekly gratitude message, our schedule, etc. will be found under this tab. Our new organization is by week with new assignments posted each day; shared thoughts say this seems to be working better for families. Always, contact me anytime, I appreciate feedback and suggestions as virtual learning is new to me too.

It was enjoyable to connect with most of you last week via the phone or zoom. I am here to help.
