

Name _____

Estimate the length of the line.
Then use paper clips to measure.

1. Estimate:

- (A) about 3 paper clips
- (B) about 4 paper clips
- (C) about 5 paper clips
- (D) about 6 paper clips

2. Measure:

- (A) about 3 paper clips
- (B) about 4 paper clips
- (C) about 5 paper clips
- (D) about 6 paper clips

3. Estimate:

- (A) about 9 paper clips
- (B) about 7 paper clips
- (C) about 6 paper clips
- (D) about 3 paper clips

4. Measure:

- (A) about 9 paper clips
- (B) about 7 paper clips
- (C) about 6 paper clips
- (D) about 3 paper clips

5. Estimate the length of your foot.

Estimate: about _____ paper clips long

Measure it using paper clips.

Measure: about _____ paper clips long

Draw a picture to show how you measured your foot.
