

Operation School Bell

Operation School Bell is local program that provides kids with some new clothes. They are now serving Middle Schoolers. If you are interested in using Operation School Bell please follow these steps:

Step 1: Request and fill out two forms for each child (1) Service Request Form and the (2) Sizing Form. Please note that there are two different sizing forms. One is for child sizes and one is for adult sizes. Choose the one that fits best for your student. Upon request, forms can be emailed to you, picked up from Evergreen Middle School or mailed to your home.

Step 2: Submit forms to Gabriella Chavez at Evergreen Middle School via email GChavez@everettsd.org or drop off in the front office.

Step 3: Gabriella will then check that the form is complete and will mail in or drop off to Operation School Bell. When the clothes are ready you will be contacted to pick them up at Evergreen Middle School or you can coordinate for them to be dropped off at your home

For form requests and questions contact Gabriella at: (425) 385-5724 or GChavez@everettsd.org
