

## Everett Public Schools Support Opportunities

Everett Public Schools Foundation Supporters,

We are fortunate to have generous and compassionate donors, many of whom have reached out to offer support during this unprecedented crisis.

We know you care deeply about the health, safety, and well-being of our community. The Everett Public Schools Foundation is unwavering in our commitment to support our community in any way possible during this difficult time. We are partnering with the Everett Public Schools to help our most in need students and families during the school closures and beyond.

### How can I help?

**Donate today to our Basic Student Needs Fund [DONATE](#)**

These funds provide flexible resources for students and families in our District who are impacted by this crisis. The funds are available district wide for each school in order to adapt to emerging needs.

### Are there volunteer opportunities?

Currently, the District is utilizing their staff to support the 23 school food distribution sites and 5 apartment complex sites. The Hope Creek Charitable Foundation, who support some of our school's backpack programs are looking for donations and volunteers. Donations can be dropped off in the lobby of Gold Creek Community Church, Monday -Friday, from 9:00am- 4:00pm. Volunteers may sign up on the Hope Creek Charitable Foundation website: [www.hopecreekcf.org](http://www.hopecreekcf.org). As we learn of more volunteer opportunities, we will post them on our website. [www.epsfoundation.org](http://www.epsfoundation.org).

### I want to donate other items.

We do not have the capacity to receive and process physical donations and abide by the social distancing recommendations. As we evaluate and adapt daily, we will update our website.

This is a difficult time for everybody. We are so fortunate to live in a community that has consistently shown collaboration, compassion and support for all. We cannot thank you enough for your support of our community and the people whose lives you touch each and every day. We will get through this together. We believe this will be a time that we will look back and remember the strength, compassion and how united we were as a community.

Gratefully

Michelle Nims  
President, Everett Public Schools Foundation
