**CURRENT
APPROACH**

Creating Open Roads to Equity

- Addressing complex root causes and dismantling the systems that keep families trapped in poverty.
- Placing families at the core, building a system of care around them with two national models: Collective Impact and a 2-Generational Approach.
- Funding that supports the organic collaborative work in our community and encourages partners to come together around shared impact plans and measurements.
- Investing in innovative strategies to take Snohomish County families from short-term solutions to long-term outcomes.
- Meeting the needs of both the child and the adults in their lives, together.
