

Steps to become a Natural Leader in Everett Public Schools

Thank you for your interest in being a Natural Leader (NL) in your school. It's a great honor for us to have you as one of our leaders who will help parents engage in and understand the school system to contribute to our students' success.

1. Fill out the volunteer application:

For your convenience, the application comes in English, Spanish, Arabic, Russian and Vietnamese. <http://www.everettsd.org/volunteer>

The online handbook will prepare you and help you explore different ways to contribute.

2. Ask about volunteer jobs in your student's school:

As soon you receive the approval of your volunteer application, contact your school and express your desire to help as a volunteer. Let them know your availability.

3. Become an active volunteer, discover your passion:

Serve actively to become an experienced volunteer. The more you participate in the school, the more you will know if the school environment is a good fit for you.

4. After 3 months as an active volunteer, meet with the NL Coordinator:

If after volunteering you feel Natural Leaders is something that you want to pursue, please contact the Natural Leader parent coordinator of your school. After an interview with him or her and the NL staff lead coordinator, you will be ready to train as a Natural Leader.

5. Attend the Natural Leader Training:

After this training you will be certified as a Natural Leader for your school.

With our deepest gratitude,

Dr. Sally Lancaster
Regional Superintendent
Everett Public Schools

Joi Odom Grant
Equity & Access Director
Everett Public Schools

Sandra Mejia
Natural Leader District Coordinator
