

EVERETT COMMUNITY COLLEGE NATIONAL MANUFACTURING DAY VIRTUAL CELEBRATION

54,000 Square Feet of Possibilities

Virtually Tour EvCC's Advanced Manufacturing Training & Education Center (AMTEC)

Participants will learn, experience and witness:

- Presentations from our top instructors in each department (Precision Machining, Composites, Mechatronics, Engineer Tech and Welding).
- Bonus presentations from our Manufacturing Employment Readiness and Waterjet programs.
- Exciting EdgeFactor videos that inspire participants to dream of what could be.
- A student, faculty and employer Live discussion panel (**October 2 from 12 to 1 pm only**). **Registration Link:** [WORKFORCESNOHOMISH.ORG/NATIONALMFG](https://workforcesnohomish.org/nationalmfg) (Links to an external site.)
- Which local high-wage, high-demand jobs they can get training for at AMTEC.
- How manufacturing is the gateway to possibilities that have never been thought of or tried.

October 2 through December 31
