2) **Exam Day Demo:** Every student taking an AP exam this year must practice submitting responses with the exam demo. Beginning May 4, you can access the demo at www.cb.org/apdemo. It will allow you to practice the different ways to submit your responses. If you can't connect to this demo from your planned testing device, you will not be able to access the real exam on test day. Update your browser (see tips on slide 51 of the 2020 AP Testing guide above) Then try again. Chrome is the recommended browser. You must disable the Grammarly plug-in on your device, if it is installed. If you still can't access the Demo, contact the AP coordinator at your school for assistance.

3) **Exam Day Checklist.** Print out this checklist for each exam you will take and have it ready at your workspace before the day of your exam. If you do not have a printer, simply use this guide and write all the information on another piece of paper. To access your exam you will need an e-ticket for each exam you take (48 hours before your exam, your e-ticket will be available in your MY AP account and sent to you via email). You will also need your 8-character AP ID (found in your MY AP account) <https://apcentral.collegeboard.org/pdf/ap-student-exam-day-checklist.pdf>

Before the exam, you'll need to prepare your [2020 Question 1 Music Theory Answer Sheet](#) by printing or hand copying it. Question 2, you'll need audio recording software or an app to record your sight-singing responses. You'll then attach your file to the online exam.

12) **Make-up exam request:** If you have any issue on exam day that prevents you from testing

successfully, you'll be directed to an online AP Makeup Testing Request Form where you can describe what happened and request an e-ticket for a June makeup exam. • You can also access the form at www.cb.org/requestmakeup • **You must have your original e-ticket when filling out the form.** • Submit the form to directly to College Board within 48 hours of your original exam date. • They will review your form and send you an email approving or denying the request the week of May 25. If approved, your makeup e-ticket will be sent two days before the makeup test. • Do not call AP Services; the pandemic has closed call centers and you will simply hear a message directing you to fill out the form and await the approval email. • Rest assured that you will receive approval for any of the following types of issues you encounter, or similar ones: sickness; significant interruptions from family members; battery failures; power outages; technical disruptions. Note: simply running out of time to submit a response on exam day is not a valid reason to request makeup testing. • **Students that already have known conflicts with the May dates should not fill out this form. They can test in June simply by not using their May e-ticket – they will automatically be issued a June e-ticket.**
