

## Elementary Art Show

All elementary schools are invited to submit student artwork for the 27th Annual Elementary Art Show at the Community Resource Center (3900 Broadway). The art will be displayed for public viewing from **February 24 – March 26, 2025**.

All elementary schools are encouraged to participate. Although each school is limited to submitting 30 pieces of art (due to space limitations), this show is an opportunity for schools to recognize students who have displayed their special art talents through hard work and attention to craftsmanship and creativity. Two-dimensional and three-dimensional artworks will be accepted.

Every student artist will receive a certificate of participation. Additionally, all families/guardians of participating student artists will receive an invitation to view the art during the public viewing times. **This year, families will also have an opportunity to view student artwork at an open house on February 27, 2025, from 6:00 – 7:00 p.m. at the Community Resource Center (3900 Broadway).**
