

## Evergreen Middle School Sports 2017-18

Please read through the following information so you can be prepared for the first day of practice and the entire season. Students need to be cleared for all sports prior to the first day of practice. This includes on line registration and a hard copy of a current physical on file in the office. All athletes are registered through <http://everettschools.rankonesport.com/> This link can be found on the Everett Public Schools website and on the Evergreen home page under Students>Athletics. Only 7<sup>th</sup> and 8<sup>th</sup> graders can compete in our athletic program in accordance with Washington Interscholastic Activities Association rules. Sixth graders are allowed to practice with the Cross Country, Wrestling and Track teams, however they can not participate in the competitions. If you have any questions about our athletic program please contact Lauren Weeden, our Athletic Director at 425-385-5791. At Evergreen, we believe having students involved in activities and athletics provides them opportunities to be successful, develop friendships and stay connected to school. **Go Timberwolves!**
