

North Middle School Curriculum Night

Wednesday
September 27, 2017

Curriculum Night will be held on Wednesday, September 27, 2017 from 6:00-7:45pm. We will be running a compacted bell schedule so that you can simulate your son or daughter's daily schedule. This gives you an opportunity to visit each of the classrooms, meet the teachers, and understand the guidelines and expectations for each content area.

If you have more than one child at North Middle School, thus having two different class schedules to follow, we would suggest that parents/guardians separate and follow different schedules. If only one parent/guardian is able to attend Curriculum Night, please consider the following suggestions:

- Identify the classes that you would most like to visit for each child and plan your evening to move through your "own version" of a student schedule.
- For any teacher you are unable to visit with, please be sure to reach out to the teacher via email or by phone.

On Wednesday, September 27, 2017, students will bring home a copy of their schedule and a school map highlighting their classrooms for parents/guardians to follow at Curriculum Night.
