

# i-Ready: Parent Information

## To access i-Ready:

Click on Student Tools on the Students tab on the District Website. Find and click on the i-Ready logo and log in with your student credentials.

## Diagnostic Schedule:

The Diagnostic is administered twice per year, according to the district assessment calendar in reading for grades 3-5 and math for grades 1-5. The math assessment for kindergarten and the reading assessment for grades K-2 are optional.

The schedule of assessments provide students with 12 weeks of both teacher led and online instruction.

## For more information:

-regarding your child's performance, please contact their teacher.

-regarding how i-Ready is used in school, please reach out to your child's principal.

For any more information about this assessment, or other assessments, please contact [Dr. Catherine Matthews](#).

## What is i-Ready?

### Overview:

The i-Ready Diagnostic is a computer adaptive assessment that identifies students' strengths and areas for growth in reading and math, measures growth, and supports data-driven differentiated instruction. It provides a comprehensive insight into student learning of the standards to help meet the needs of all students.

### i-Ready is adaptive

- **No two students will take the same test.** As students answer questions, correctly or incorrectly, the test adjusts up or down, modifying the difficulty level until it finds the right performance level for each student.
- **Students will receive a challenging test.** The diagnostic is designed such that students will get about 50% of the questions correct only so that their precise abilities can be identified across a range of skills.
- **The student's score is not based on which questions were answered correctly or not.** The score is determined by making adjustments after each item to determine the proficiency level in each domain in reading and math.

## What domains do the tests cover?

### Math

- Numbers and Operations
- Algebra and Algebraic Thinking
- Measurement and Data
- Geometry

### Reading

- Phonological Awareness
- Phonics
- High Frequency Words
- Vocabulary
- Comprehension: Literature and Informational Text
