What is a grad ad/celebration?

Senior Ads are a wonderful way to add a personal touch to your senior's yearbook. These are kept secret and are a nice surprise when seniors pick up their books. Grandparents, siblings and friends can also submit grad ads. Email Kristin Price kprice@everettsd.org or look at a previous EHS yearbook for examples!

Can I pay online?

Yes! Online payments are accepted until January 29, 2025.

- **How much does a grad ad cost?**

The cost of a grad ad depends on how big of an ad you would like to purchase. Note, you can purchase as many ads as you would like. All profits made by grad ads goes directly into the yearbook account so we can purchase new equipment (cameras, photography supplies, etc.) and so we can try and keep yearbook costs down in the future when possible.
