ONE-CLICK ONLINE SUPPLIES SHOPPING AT YUBBLER.COM

This year, our school is introducing an online school supplies purchase program with Yubbler.com. When you purchase your school supplies on Yubbler.com, supply shopping is a breeze and **PTA receives 50% of the profits!** (Note that purchasing your supplies online through Yubbler is optional, you are welcome to download the supply list from the school website and purchase at your favorite store.) Lists are Mill Creek Elementary teacher approved, stocked with products you recognize.

Start at www.yubbler.com/yub/details/18026

- Click on your student's grade level to see the approved list.
- Some items have multiple options, such as colors or quantities; be sure to click on the [Options] button to see your choices.
- Click on the **[Add Full List]** purchase button then enter your shipping and billing information. Yubbler.com uses PayPal's BrainTree secure online payment service.
- Customize your order at checkout by removing or adding items in your cart.
- Your student's personal supplies are shipped to your home for free.
- Classroom supplies are shipped directly to the school.
- You're done!

There is no deadline to purchase supplies. However, ***we recommend purchasing supplies as soon as possible to ensure your student and classroom are ready for the first day of school. For orders placed after August 17, 2018 we cannot guarantee delivery in time for the first day of school.***

Thanks for supporting PTA by shopping on Yubbler.com. If you have questions about the website, you can contact Yubbler directly at Info@Yubbler.com or contact MCE PTA at Fundraising@MCEPTA.org
