## **PARENT ENGAGEMENT AND INNOVATION SHOWCASE**

Please join us on June 6 from 6 to 7 p.m. at the Community Resource Center to learn from and engage with staff about two strategic plan innovations that will advance our student's academic engagement.

Join staff as they showcase new technologies integrated into our classrooms to improve student learning, such as the flat panels and classroom sound enhancements, and learn and ask questions about parent supports such as:

- Let's Talk request form
- Parent University
- Common Sense Media app review
- How to get technology help
- Home internet solutions
- LMS parent accounts – Gradebook, HAC, Canvas
- Go Guardian and Class Policy parent accounts

Also, in the Fall of 2023, our middle schools will shift from the current seven-period day to a six-period day. This is an opportunity to hear your thoughts about our current seven-period schedule and how we might use this schedule shift to increase student access to advanced courses, ideas about new and innovative electives, align our middle school STEM experiences to our high school STEM choice pathways and create more elective choices for students. Come and engage with the middle school design committee to share your thoughts, questions, and feedback about the possibilities of a middle school six-period day.

Look forward to seeing you there!

## FAMILY RESOURCE CENTER

Everett School District's Homeless - KIT Program team recently opened the first [Family Resource Center](#) (FRC) in Hawthorne Elementary. Through a school referral process, they help the district's homeless families navigate the county's social service programs – which are spread across the school district, county agencies and dozens of nonprofits.

The FRC serves as a hub for a limited supply of donated basic needs items and provides a welcoming space for our students and families to receive support, have some basic needs met and connect to school and community resources. The team has hopes to open a second center in the south end of the district in the fall.

Please consider donating to help fill the shelves of the EPS Family Resource Center.
