April 2021

From the Principal

Greetings Madison Families,

I want to wish everyone a very happy and restful upcoming Spring Break! I encourage all our students, teachers, and families to use this break as a time to relax and enjoy their days off from school. Parent conferences have been very successful this week, so we really appreciate all parents for taking the time out of their busy schedules to make your child's education a priority. It has been a great week of collaboration between families and teachers to ensure that we are doing everything we can to provide your child with the best educational experiences at Madison. If you were not able to meet with your child's teacher this week, please reach out to us so we can set up a time to meet after spring break. Communication between home and school is vital to your student's success so we are very appreciative and thankful for your ongoing support.

COVID-19 Quarterly Health Screening Attestations are a requirement of all students returning to the building for in-person instruction. If you have not completed your spring COVID-19 Health Screening Attestation form for students attending in-person learning for the months of April through June, please go to the following COVID 2020-21 district link to access the form: <https://www.everettsd.org/Page/38789>. Thank you for your support in helping to keep everyone safe at Madison.

Attendance: One of the most significant factors in helping to support your child in having successful learning experiences at Madison and to be ready for life, is to ensure that your child is attending school every day. Please make sure your child is at school on time, in their Zoom classroom on time, and well-rested so that they are fully prepared to be the best they can be every day as a learner. If you need any type of assistance to ensure that your child is attending school every day, please contact me and your child's teacher so we can create a plan of success to ensure that the final three months of the school year are a positive experience.

In closing, Madison family thank you for your continued support in making Madison a great place for your children to learn and grow. Let us make the month of April the best.

In partnership,

Jessica Corneille, Principal

April 5 - 9

Spring Break- No School

April 12

First day of school after Spring Break

April 20

PTA Meeting @ 5:30pm via Zoom

April 22

Drive-in movie at New Life Church @ 6:30pm showing

Introducing Madison's Virtual Calm Down Room

Our school counselor, Miranda Mahorney, has created a virtual Calm Down Room for remote learners that is available to all students anytime. Teachers will have links to the Calm Down Room on their homepages in Canvas. Here is a link to [an informational video presentation from Ms. Mahorney](#). Enjoy the calming activities when you just need a break to relax and refocus!

Everett Public Schools is hiring paraeducators

We are hiring Paraeducators! Great benefits, competitive wages, professional development with summers and school breaks off! Interested?

Please apply online at: <https://www.applitrack.com/everettsd/onlineapp/>

Schools are located in Everett, Mill Creek and Bothell, Washington.

Kindergarten registration happening now

During school building closure, you can complete enrollment forms for kindergarten [online](#)! A [step-by-step parent walkthrough video](#) is also available as a resource.

New for fall, 2021 is the dual-language Spanish immersion program at Emerson Elementary School. Families with children entering kindergarten will have the option to choose the dual language strand. This program gives elementary students an opportunity to complete the Everett Public Schools curriculum in a nontraditional and exciting way by immersing them in Spanish language and culture from kindergarten through twelfth grade. Students in the program will become proficient in both Spanish and English while learning the same

curriculum content as their peers outside the program.

Priority will be given to students within the Emerson Elementary School attendance area. If a high number of students apply, a lottery will be conducted to select students. If the class is not filled from those in the Emerson attendance area, an additional lottery from beyond the school attendance area will be conducted.

If you have questions, please email the Early Learning Department at EarlyLearning@everettsd.org. Thank you!

Easy access with district app

Download and log into the district app to access your student's info quickly and easily. See top stories, Parent University, Canvas, books checked out from the library, and find the staff directory, school websites, calendars and more.

The free mobile app is available in the iTunes® and Google Play® app stores. Search for "Everett Public Schools."

Once you've downloaded the app, log in to "student info" with your LMS password to see student-specific information for each of your children. Read content in one of many languages available in the settings.

School Quality Survey update

Last month, we sent information about our School Quality Survey. The timeline for the survey was postponed and we apologize for any confusion. We will be conducting our annual survey later this spring. Please stay tuned and we will send updated timeline information as soon as possible.

Let's Connect - May

You are invited to connect with district leaders and engage in conversation on Monday, May 3 from 5 – 6 p.m. about how remote learning is going and to get feedback on how we can do better. We want to hear from you and hope you can attend a Zoom meeting to share your thoughts. Please check your email for an invitation to connect with your school's regional superintendent and other district leaders. Be sure to check your email, RSVP required to receive the link for the meeting. Let's Connect!

Thank you, volunteers!

April 19-23 is Public Schools Volunteer Appreciation Week, which provides a yearly opportunity for schools and families to honor and highlight the powerful contributions parents and caregivers provide at school and home to support student success. Although this school year has not allowed for in-person volunteering, we are grateful for the support our school community volunteers have given in other ways to support student success. We look forward to the days we can welcome volunteers back in our schools to read with students, support playground supervision, chaperone field trips and provide support to teachers in the classroom and more! Your help matters. Thank you so much.
