March 2021

From the Principal

Greeting Madison Families,

Spring is in the air today. This is the time of year when we get to watch the Earth come back to life with the greens and vibrant colors blooming all around us. The warmth of the sun fills us with energy and enthusiasm to be outside. It is my goal to bring all this color and energy into our work here at the school. Our Madison Team – students, teachers, support staff, parents, and community are an amazing group of people. We are not afraid of hard work or the challenging demands that come our way. Our focus here at Madison remains to cultivate a positive climate and create the best learning environment possible. High-quality instruction and student learning are our highest priorities.

This month we will be celebrating Women's History! Women's History Month is an annual declared month highlighting women's contributions to events in history and contemporary society. During morning announcements, I will be sharing different contributions that women have made throughout March. I hope you join me in commemorating and encouraging the study, observance, and celebration of women's vital role in American history.

Also, in the next couple of weeks, we will have all K-5 students back on campus! As we implement hybrid transition, we are also narrowing our K-5 instructional efforts in on the most essential Common Core State Standards for each grade and targeting newly identified learning priorities from our analysis of the i-Ready Winter Diagnostic data.

Kindergarten registration begins this month

New for fall, 2021 is the dual-language Spanish immersion program at Emerson Elementary School. Families with children entering kindergarten will have the option to choose the dual language strand. This program gives elementary students an opportunity to complete the Everett Public Schools curriculum in a nontraditional and exciting way by immersing them in Spanish language and culture from kindergarten through twelfth grade. Students in the program will become proficient in both Spanish and English while learning the same curriculum content as their peers outside the program.

Priority will be given to students within the Emerson Elementary School attendance area. If a high number of students apply, a lottery will be conducted to select students. If the class is not filled from those in the Emerson attendance area, an additional lottery from beyond the school attendance area will be conducted.

Education Support Professionals Week

March 8-12 help us recognize the important work education support staff does for schools and students every day. We encourage you to take a moment and say thank you to office staff, crossing guards, paraeducators, maintenance staff, food and nutrition services professionals, bus drivers and many other education support staff who help schools and the district function smoothly.
