September 2020

## From the Principal

Dear Husky Families: I would like to welcome each of your families to the 2020-21 school year at Madison Elementary School. I am honored and feel very fortunate to be able to serve an amazing school community of families and staff who are committed to supporting each student in growing socially, emotionally, and academically every day. Madison is truly a special place where students learn, grow, explore, laugh, build relationships, and discover their passions in learning about the world. The Madison staff is very passionate and dedicated to providing the best educational learning experiences, ensuring that each student at Madison is successful and masters the necessary skills to be college, career, and life ready. Thank you for bringing your children to Madison and trusting us to give them the best possible education. We are going to make it an outstanding 2020-21 school year!

At the end of July, Everett Public Schools announced the plan for all students to begin the 2020-21 school year in a **100% remote model**, using a staged approach for in-person reentry into school buildings. Remote learning in September will look quite different than it looked in the spring. Many parents shared their feedback so that we can make necessary adjustments and improvements to the remote learning model at Madison and throughout the district. You will hear more about the district plan for elementary schedules, attendance, grading and expectations after it is shared and communicated to all families later this month. There will also be a parent class (called Parent University) later in August to support families' needs and understand the remote learning model. A staged reentry plan to attend in-person school at Madison will be determined by the impact of the changing COVID-19 pandemic, available resources throughout the district, direction from Snohomish Health District, the Office of Superintendent for Public Instruction (OSPI) and our governor. Our staff will be planning with the flexibility to adjust and move into different learning models which will enable us to provide the best education possible in all scenarios.

There have been quite a few changes in Madison Elementary staff members, including the staff who have retired or who are seeking different adventures. I would like to introduce and welcome our new Madison staff for the 2020-21 school year:

- Sarah Farkasosky – Office Assistant
- Miranda Mahorney – School Counselor
- Kristen Paulowske – Kindergarten
- Brooklyn Rydman – First grade
- Chesa Morey-Leber – Second grade
- Jennifer Mutchler – Extended Resource
- Tanya Weiderstorm- New to the role of Family Support Specialist

This year we will be using “[Home Access Center](#)” (HAC) for announcing teacher assignments. Information on how to access HAC will be sent to all families the week of August 31<sup>st</sup> via Blackboard connect and email. If we adjust the timeline of class placement communication, we will notify all families of the communication change. On September 8<sup>th</sup> we will have a Meet & Greet/ Chromebook Pickup Drive Thru for all students. Each grade level will have their own designated time. Kindergarten will take place from 8:30-10:00, First grade 10:00-11:30, Second grade 12:00-1:30, Third grade 1:30-3:00, and Fourth/Fifth from 3:00-4:30. The first day of school for first through fifth grade students will be Wednesday, September 9, 2020. Our kindergarten teachers will be contacting each incoming kindergarten family to schedule an individual *Family Connections* meeting that will take place with our kindergarten teachers on September 9, 10, and 11 to develop a strong home-school partnership to start the 2020-21 school year. As a reminder, the first day of school for Madison kindergarteners will be Monday, September 14, 2020.

In closing, I am very excited about working with you and your children this year and doing whatever it takes to ensure that every child has an outstanding learning experience at Madison. The Madison staff are passionately committed to making every day the most important day for your child. It is going to be an outstanding 2020-21 school year! Please enjoy the rest of your summer and I look forward to working with you.

### Sept 4

See your teacher assignments in the HAC & via phone call

### Sept 8

Drive Thru Meet & Greet  
(See website for grade level time slots)

### Sept 9

First Day of School!

### Sept 9-11

WA Kids Family Connections meetings for kindergarten

### Sept 14

First Day of School for Kinder!

### Sept 15

PTA Meeting

Jessica Corneille, Principal

## Adventure Together

Our theme to kick off the school year is **Adventure Together**. We chose “Adventure” because this school year is kicking off remotely, but not like it was in the spring. This year will look and feel much different and will be a new, exciting and challenging adventure for students, teachers and families. And, “Together” because we are all in this together. Although this start to school will feel different to everyone, we encourage taking on this challenge with courage, knowing we will all learn and grow as we navigate new and unexpected situations. We are here for every student, every family, every teacher, every staff member. We are a team! Let’s Adventure Together!

## Parent University

Starting September 2, Everett Public Schools will have a Parent University available 24/7 online and mobile, for you to access important resources to help support your student’s remote learning. You can find details on how to access and log in to Canvas, how to view your student’s schedule, where to get meals, and much more. Resources will continue to be added throughout the year. You will find Parent University, and all other information related to remote learning, at [www.everettsd.org/COVID2020-21](http://www.everettsd.org/COVID2020-21)

## Learning model status

Everett Public Schools will begin the 2020-21 school year with 100% remote learning using our staged approach to reopening. As the numbers of positive COVID-19 cases and deaths continue to rise across our state and in our region, it has become clear at this time that our more robust remote learning model will be the safest way to form the foundation for student learning this fall.

Staged reentry to schools will be determined by the impacts of a changing COVID-19 pandemic, available resources, direction from Snohomish Health District, OSPI and our Governor. Having the flexibility and agility to move to different models will enable Everett Public Schools to provide the best education possible in whatever scenario presents itself. The current status is 100% remote learning. Visit the [learning model status webpage](#) to get to know the five stages.

## Attendance procedures

We look forward to teaching your child every day. Regular attendance is important, and we will work with you to ensure your child is engaged in learning to benefit from an excellent education. If your child will miss remote learning, please email the school at their attendance email address, which you can find on the school website.

If email is not possible, and even if you leave a message with the school attendance line, please send a written note to the school office within 30 days. Teachers will use digital Gradebook attendance to log student attendance daily. K-5 students will have attendance taken daily at the beginning of the day during their morning meeting. Grades 6-12 will have attendance taken in every class period.

## 2020-21 Immunization Changes

The way schools collect immunization records and comply with immunization rules has changed for the 2020-21 school year. As of August 1, 2020, a change in state immunization rules has affected three areas of immunization compliance:

- The definition of “conditional status” has been clarified. **Students must turn in their immunization paperwork on or before the first day of in-person learning.**
- All new immunization records from students need to be **medically verified**.
- The Tdap vaccine requirement for 6th through 12th graders has been changed to a 7th through 12th grade requirement.

A medically verified record includes one or more of the following and can be submitted by email to

[EPS.BuildingRN.MailList@everettsd.org](mailto:EPS.BuildingRN.MailList@everettsd.org):

- A Certificate of Immunization Status (CIS) printed from the Immunization Information System
- A physical copy of the CIS with a healthcare provider signature
- A physical copy of the CIS accompanying medical immunization records from a healthcare provider verified and signed by school staff
- A CIS printed from your MyIR account.

## Access your family's immunization information

To access your family's immunization information from the Washington State registry visit, sign up for [MyIR](#) to view, download and print your student's immunization records securely online. Once you register, you can access the records anytime you need them. You can print your child's Certificate of Immunization Status for school, childcare and camp programs.

## Ways to stay in touch

On the communications department webpage, you can sign up for [InTouch](#) announcements and school board meeting agendas highlights delivered to your email box twice monthly. You can also follow us on [Facebook](#), [Twitter](#) and [Instagram](#).

## Mobile app

Families can [download the district mobile app](#) to easily access student information, grades, attendance, lunch balances, borrowed library books, calendars and more! Translate notifications and app functions into the language you prefer.

## Social & emotional health

The outbreak of COVID-19 may be stressful for people and communities. Fear and anxiety about a disease can be overwhelming and cause strong emotions in adults and children.

Everyone reacts differently to stressful situations. The emotional impact of an emergency on a person can depend on the person's characteristics and experiences, the social and economic circumstances of the person and their community, and the availability of local resources. People can become more distressed if they see repeated images or hear repeated reports about the outbreak in the media. Children react, in part, on what they see from the adults around them. When parents and caregivers deal with the COVID-19 calmly and confidently, they can provide the best support for their children. Parents can be more reassuring to others around them, especially children, if they are better prepared. Please visit the district's [social & emotional health webpage](#) for more information.

## ECEAP preschool is now enrolling for 2020-21

Everett Public Schools Early Childhood Education & Assistance Program (ECEAP) is a FREE preschool program for three- and four-year-old children from families with limited income. ECEAP prepares children for kindergarten and includes family support and health and nutrition services. It is funded in partnership with [Snohomish County Human Services](#) and [Washington State Department of Children, Youth and Families](#).

ECEAP will be providing remote preschool services this fall including virtual circle times and small groups, video libraries of fun, engaging activities, and learning materials for home-based activities. Additionally, ECEAP will support parents as their child's first and most important teacher through regular parent-teacher check-ins, family support coaching, resources, and online family support groups and informational classes. The ECEAP preschool program is located at Cedar Wood (new for 2020-21), Garfield, Hawthorne, Lowell, Madison and Silver Lake elementary schools. ECEAP will be providing remote preschool services this fall including virtual circle times and small groups, video libraries of fun, engaging activities, and learning materials for home-based activities. Additionally, ECEAP will support parents as their child's first and most important teacher through regular parent-teacher check-ins, family support coaching, resources, and online family support groups and informational classes. Space is limited – apply early! For an application or more information, please call 425-385-4628, email [eceap@everettsd.org](mailto:eceap@everettsd.org) or visit [our website](#).

## Kids in Transition program

Kids in Transition (KIT) program supports students who qualify as homeless under the federal [McKinney-Vento Homeless Act](#). Students without a fixed, regular, and adequate nighttime residence may qualify. The KIT program works to eliminate barriers to students' academic success and extra-curricular involvement. We ensure students experiencing homelessness have access to free school meals, school supplies, and uniforms. KIT can help students access extended day or summer school classes and provide access to tutoring when needed. The KIT Program can also cover fees required to take part in activities such as school-sponsored sports, clubs, and required class fees. KIT transports eligible students to maintain school stability, as long as the commute is in the best interest of the student.

Last year, Everett Public Schools served over 1,100 homeless students at some time during the school year. For more information, visit the [KIT website](#) or contact the KIT Program at 425-385-4032.

## Backpacks for students in need

Do you know a family who might be in need this year? Stuff the Bus for Kids ensures each child in Everett Public Schools starts the school year prepared to learn. The EPS Foundation will deliver over 1,900 backpacks, filled with school supplies, and make them available to any Everett Public School student who may need extra assistance.

Students in need of a backpack, please reach out to your school to receive your supplies. Backpacks will be available for pick up at each school beginning August 31, the week before school.

## Safety tip line

Do you or your student have a concern about someone experiencing bullying or harassment? **Report it!** You can talk directly with your school's office or you can call, text or email your concern.

If there is reason for concern about safety on a designated walkway to school, call 9-1-1 immediately for authorized, quick help. We have strong partnerships with local law enforcement who share our interest in safe schools and neighborhoods. Student safety is a priority for all of us. Working together, we can help make our neighborhoods and schools nurturing places for students to safely learn and grow.

## Access to public records

District records are public records. Parents and other citizens have the right to ask to view or have copies of records defined as "public" under state and federal laws. These include parents' and legal guardians' student's records and records about discipline of school employees.

The district's general counsel office handles public records requests. Request records by writing to that office at PO Box 2098, Everett, WA 98213, sending an email request to [publicrecords@everettsd.org](mailto:publicrecords@everettsd.org), or calling 425-385-4150.

## Your student's records are confidential

Everett Public Schools is serious about protecting student records and privacy. The district uses multiple security measures to safeguard student transcripts and other education-related records. Only those teachers, administrators and other staff members who work directly with students (and have an educational need to know) have access to individual student records. Staff members are required to maintain confidentiality of all information in a student's records.

## Register to vote!

It's easy! You can register online at <http://bit.ly/VoteRegistration> or stop by your school office to pick up paper registration materials.
