FROM THE PRINCIPAL

Greetings, Madison Families,

I want to wish everyone a very happy and restful upcoming Spring Break! I encourage all of our students, teachers, and families to use this break to relax and enjoy their days off from school. Parent conferences have been very successful this week, and we appreciate all parents taking the time out of their busy schedules to make their child's education a priority. It has been a great week of collaboration between families and teachers to ensure that we do everything we can to provide your child with the best educational experiences at Madison. If you were unable to meet with your child's teacher this week, please reach out to us so we can set up a time to meet after spring break. Communication between home and school is vital to your student's success, so we appreciate your ongoing support.

This semester we are gearing up for the testing season. Students in grades 3rd-4th will be taking the Smarter Balanced Assessment in Reading and Math. Students in grade 5 will be taking Smarter Balanced Assessment in Reading, Math and The Washington Comprehensive Assessment for Science. In addition, to support families, we will be hosting a parent SBA night on April 28th from 5:30 to 6:30 pm in person. We will provide families with vital information on how to support your child(ren), exposure to a practice test, an explanation of the testing calendar, etc. We look forward to seeing you there.

Starting the week of April 11th, selected students in grades 2nd-5th will have the opportunity to participate in tutoring services. We have partnered with the Hey Tutor company; Trained tutors will support students four days a week in subjects such as reading and math. We have sent letters to all selected families via email and hard copy. If you are not sure, don't hesitate to contact your child(ren)'s, teacher.

Also, thank you, families, for returning your green Best Dental permission slip forms. We are genuinely excited to provide this fantastic opportunity for our students. Best Dental will be on school grounds starting the week of April 11th-15th.

In closing, the Madison family is grateful for your continued support in making Madison an excellent place for your children to learn and grow. Let us work together to ensure that the final three months of the school year are a positive experience.

In partnership,

Jessica Corneille

KINDERGARTEN REGISTRATION IS OPEN

Dual-language Spanish Immersion Program

The dual-language Spanish immersion program at Emerson Elementary School is an option for fall 2022. Families with children entering kindergarten will have the option to choose the dual language strand. This program gives elementary students an opportunity to complete the Everett Public Schools curriculum in a nontraditional and exciting way by immersing them in Spanish language and culture from kindergarten through twelfth grade. Students in the program will become proficient in both Spanish and English while learning the same curriculum content as their peers outside the program.

Priority will be given to students within the Emerson Elementary School attendance area. If a high number of students apply, a lottery will be conducted to select students. If the class is not filled from those in the Emerson attendance area, an additional lottery from beyond the

school attendance area will be conducted. More information is available at www.everettsd.org/DualLanguageSpanish.
