The gift of attendance

Absences spike in the weeks before and after the winter holiday as families squeeze in a few more vacation days. Just a few missed days here and there, even excused absences, can add up to too much lost learning time and put your child behind in school. This is as true in kindergarten as it is in high school. Put simply, too many absences at any age can affect a student's chances for academic success and eventually for graduation. This holiday season give your children the gift of an education and the habit of attendance.

Family resources

Could you or a family you know use some help? Find information and links to helpful resources on the district's [Parent Tools webpage](#):

- Washington State Library – local and regional information about services and agencies offering help to families in a variety of ways including food, shelter, clothing, childcare, legal services, employment opportunities, and counseling
- Everett Public Schools [Kids In Transition \(KIT\) program](#) – supports homeless children and youth to continue their education
- Snohomish Health District for Snohomish County community dental resources for children and adults
- United Way of Snohomish County – 2-1-1 is a free telephone number that is your best "first call" to quickly find the right source of help. The information line is staffed by trained operators from Volunteers of America Western Washington who can connect you to a wide range of community services

Winter Break

Transitional Kindergarten Program

Everett Public Schools is offering a **Transitional Kindergarten** program this winter for children scheduled to enter kindergarten in the upcoming fall (2021). The program will focus on basic academic, social and self-help skills to jumpstart qualifying students toward success in school. Students will be screened in December and early January and may qualify based on ability and/or need. This program will be located at some of the elementary schools in our district or remote, depending on the current district learning plan; sites will be determined based on enrollment and space availability. The anticipated start date is February 4, 2021. **Transitional Kindergarten** will run through the last day of school, which is currently June 21, 2021.

To qualify for screening, children must:

- be 5 years old by August 31, 2021
- live within the boundaries of Everett Public Schools
- not be currently enrolled in an early learning program
- demonstrate academic and/or social-emotional needs

The parent inquiry form is available online. Families who are interested should visit the early learning website and submit the form by December 6, 2020. For assistance or questions, contact Helen Cooley at 425-385-4088 or Early Learning at 425-385-4024.

ECEAP preschool is still enrolling for 2020-21

Everett Public Schools Early Childhood Education & Assistance Program (ECEAP) is a FREE preschool program for three- and four-year-old children from families with limited income. ECEAP prepares children for kindergarten and includes family support and health and nutrition services. It is funded in partnership with [Snohomish County Human Services](#) and [Washington State Department of Children, Youth and Families](#). ECEAP is providing remote preschool services this fall including virtual circle times and small groups, video libraries of fun, engaging activities, and learning materials for home-based activities. Additionally, ECEAP supports parents as their child's first and most important teacher through regular parent-teacher check-ins, family support coaching, resources, and online family support groups and informational classes.

The six ECEAP sites within our schools are Cedar Wood, Garfield, Hawthorne, Lowell, Madison and Silver Lake elementary schools. Additional community locations are available. Space is limited – apply today! For an application or more information, please call 425-385-4628, email eceap@everettsd.org or visit our website:

<https://www.everettsd.org/Page/5962>

Accepting Highly Capable nominations until Dec. 18

Find forms, information and evening events on the [Highly Capable website](#). Referrals are for students currently in grades one through four for winter testing, which will take place on February 6, 2021.

Delayed start or closed schools

If weather and road conditions call for closing school buildings, all learning will be cancelled, including remote learning. Remote learning must be cancelled because students who are learning in the building may not have their devices at home, and teachers who have been working in the building may not have the equipment or resources to teach from home.

If we must cancel school or delay the start of school, we will use our parent communication system to call in the morning, typically around 5:30 a.m., with a brief message about the reason for closure or delay. We will also use local media and post the message on our website. **If there is no announcement about Everett Public Schools, school is on the regular schedule.** More information and resources for school closures or delays is on the district website under the *Parents* tab.

In cases of inclement weather or other emergencies, please:

- check your email or phone for district messages
- listen for media announcements
- view the district's website at <https://www.everettsd.org/>
- watch district [Facebook](#), [Twitter](#) or [Instagram](#) accounts

Board of Distinction

Everett Public Schools board of directors earned high honors with the designation as a *Board of Distinction 2020*. Applications are reviewed by a panel of judges that includes former and current educational service district superintendents, State Board of Education board members, former school directors and other education leaders in Washington state. Scoring is based on how well applicants show alignment with the Washington School Board Standards, support their statements with data and demonstrate a link between outcomes and decisions made by the board.

Stay connected

With the increase of communications due to remote learning, it is very important the district has an updated phone number and email address in the communication system. Everett Public Schools believes communication with parents and the community is important and recently published a new resource called [“Stay Connected”](#) which shows the different ways you can regularly keep informed. Visit the communications overview page on the district’s website for details.
