How to get accurate research for history topics

1. Go to the <u>www.Sno-Isle.com</u> website & click on "Teens".

2. On the left hand side of the page, click on "Homework Re-

3. In the center of the screen where the bullet points are click

on the bullet point labeled as "Biography & History".

4. On this page you can click on "U.S. History" or "World History" to do research from.

5. Once you have clicked on U.S. History or World History, you will be brought to this screen. **Put in your Sno-Isle Library ID number and password.**

6. Once you have logged in with your number and password, you will be brought to either screen depending on what you clicked on.
