Download the Canvas Parents to App to support your child

This app will provide you with all kinds of information about your child's classes.

- Assignments
- Calendar of assignments
- Information to help them complete assignments
- Teacher contact information

Download the Everett Public School App to stay Connected

This app will provide you with all kinds of information about your child(ren), their school(s), and the district.

- Review your child's attendance and grades
- Check the school's social media accounts (Facebook, Instagram and Twitter)
- Check the districts information, such as lunch programs and athletics updates

Create a Learning Space

Set up your child's place to learn from during the day while in Virtual School.

- Find a place that has the least distractions with a table or hard surface to place all student items.
- Make sure you have all necessary books and supplies close by for activities and assignments.
- Make sure your internet works well in that location or that you have requested an internet connectivity hotspot if you are currently without one.
- If your child will Zoom, and are wants to have their camera on, think about what people will see in the background.
- Create a "mini office" by stapling two file folders together to keep your child focused.

Students: Get Set Up for Success!

Hey Students!

We are super excited to start school with you on September 9th at 9:10 a.m. Check our school homepage for a Zoom Link to kick off your very first day with the Mayor of Everett- Ms. Cassie Franklin, your Superintendent- Dr. Ian Saltzman, your new principal- Mrs. Monique Beane and many of our Forest View Elementary staff and friends! In the meantime, please complete this checklist to make your first day super successful!

Step #1: Turn on your Chromebook and Log in!

To make sure you are ready for the first day, make sure your device is working properly.

- Turn it On
- Connect it to your home WIFI
- Log In

Step #2: Check out our school website! www.everettsd.org/forestviewes

We will communicate all announcements and links here.

- Do you see a falcon on the main page? If so, you are in the right place!

Step #3: Make sure to check out the Digital Tools

Click on the "Students" tab at the top of our website. You will need to log into different digital tools through the school website to complete some learning. Check out these tools:

- Canvas
- i-Ready
- Imagine Learning

Step #4: Create a Learning Space

Talk to your family about making place to learn from during the day while in Virtual School.

- Find a place that has the least distractions with a table or hard surface to place your stuff.
- Make sure you have all your books and supplies close by for activities and assignments.
- Make sure your internet works well in that location.
- If you Zoom, and are wanting to have your camera on, think about what people will see in the background.
